# Images of '01 begin

Hello Lumberjacks! This year's yearbook theme is "THE IMAGES OF '01". This year, many images have been created at Arthur Hill. As you sit back and flip through the pages of this Legenda, notice the images captured. Remember all the fun, sad, and happy moments you created with your fellow Lumberjacks as you came together to become ONE. When we all graduate and become successful, we will one day look back at this Legenda and appreciate these images. They will remind us of some of the happiest moments of our lives, such as school dances, varsity games or just hanging out with all of your best friends. We cannot forget about all the great teachers that instilled in you the foundation of success - an education. So relax, grab a slurpee, and chill with friends as you enjoy "The Images of '01".

## Rev. Jesse Jackson Comes to Town

In the fall of 2000, Rev. Jesse Jackson came to Saginaw with the Rainbow Coalition. They were here to push the fact that teens should get out and vote. Rev. Jesse Jackson kept saying, "Stay out of the bushes," his slogan for voting. Our own Tacarra Ford gave a speech on how teens should vote. She also introduced Reverend Jackson.

The rally was held at Central Middle School. Besides Rev. Jesse Jackson and Tacarra Ford, there were ministers from many different churches. Everyone's efforts to push the democratic vote definitely made an impact that will be remembered for years to come.

## Arthur Hill Participates in National Mock Election

This year, students across the nation were given the chance to participate in mock elections within their schools. This is the first year Arthur Hill has participated. Thanks to the hard work of Mr. Gravlin's Honors Government class, there was an incredible turnout with approximately 1200 students coming to vote.

To educate the student voters on candidates and their positions, the government students paired up to present each candidate. Proposals 1 and 2 were also represented by one student. The students spent one school day going from class to class presenting them to the student body.

The results of the Arthur Hill mock election are as follows (All results are given in percents):

### President:

Gore	73
Bush	18
Nader	7
Hagelin	.8
Brown	.5
Phillips	.4

### House of Representatives:

Barcia	74.7
Actis	14.9
Foster	5.7
Ellison	4.7

### Senator:

Stabenow	58
Abraham	32
Abel	3
Forton	3
Corliss	1
Quarton	1
Mangopoulos	1

### Proposal 1:

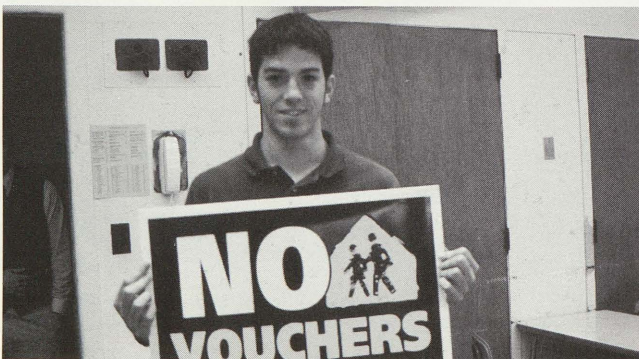

No	75.8
Yes	24.2

### Proposal 2:

No	56.3
Yes	43.7

The race for the presidential office was a close one in 2000. Vice-President Al Gore and Governor George W. Bush held similar views throughout the election. Many voters had difficulty distinguishing between the two.

Independent candidate Ralph Nader referred to Bush and Gore as “one person with two heads wearing different makeup”. Due to this, the popular vote was dead even. Each candidate received half of the vote.

Only Florida hung in the balance. The vote of the Electoral College of the state would be the deciding factor in who would become the next president of the United States. Gore challenged the vote counts in several counties. The Democratic Party demanded recounts.

The country was familiarized with the terms “hanging chad” and “butterfly ballot” as they stood riveted to CNN and CSPAN while votes were counted again, courtroom battles raged, and politicians spoke out about the faulty election process. The legality of the recounts was challenged time and again.

The country was left wondering who would be their next president until December 13th, over a month after the election. George W. Bush was declared the President-elect, even though he lost the popular vote by a margin of one percent. It was an election for the history books, and will surely be remembered as an indelible image of '01.

U.S. Bombs Iraq

On February 16, 2001, President Bush authorized a bomb raid on Iraq. Bush said that it was justified, and that it was a routine enforcement of the “no-fly zone” that U.S. and British planes have policed since the end of the Gulf War.

A strike force of about 24 U.S. and British aircraft targeted radar sites, and bombed key command and control nodes in Baghdad. The “no-fly zones” were set up after the Gulf War, and were imposed to protect the Kurds in the north and the Shiite Muslims in the South from possible attack from Iraqi forces.

No Congressional leaders were notified that Bush authorized the bomb raid on Iraq, but since almost all of them were traveling on airplanes it may have been difficult for the White House to reach them. If Bush’s aids attempted to reach them is not known. Not everyone is pleased with Bush’s decision. His strikes happened one week before Secretary of State Colin Powell was scheduled to travel to the Middle East for discussions. Whether it was a good idea or not will be determined over time.

Economy Slump

The U.S. economy was at the lowest level since 1995. This is due to a lack of consumer purchasing, and an inventory pile-up. The inventory pile-up has slowed down some, and consumer spending has risen some. The Federal funds rate was also lowered in order to keep the economy moving smoothly along.

Whether the economy slump is going to stay longer, or things will turn back to normal soon isn’t quite clear. However, the government is doing its best to get us through it.

Spy Guy Caught

Robert Hanssen was a 25-year veteran in the FBI, and a counterintelligence expert. Besides these things, he was also working as a spy for the Soviet Union, and later Russia. He had been a spy since the ending of the Cold War.

Hanssen was arrested February 18, 2001. FBI found ammunition, computer equipment, classified documents, phony identification documents, financial papers when they searched his home.

According to FBI Director Louis Freeh, Hanssen was paid \$1.4 million in cash and diamonds for passing top secret information to Russia. Luckily Hanssen has finally been caught so he can no longer spy for Russia. Hopefully, in the future, we won’t have these types of problems to worry about. by- Sarah Flora, Jillian Perry, Tacarra Ford Photos Courtesy of The Saginaw News

## Pep Rally 2000

# Nine lucky girls chosen for court

Arthur Hill students participated in their annual pep rally on Thursday, August 31, 2000. This a.m. event kicked off the day of our first Varsity Football home game. Along with student council President Jennifer Haynes and Vice-President Loni Flores, the fall Varsity sports captains took turns announcing games and pepping up the student body. These sports included Girls Tennis, Boys Golf, Girls Swimming, Boys Soccer, Cross-Country, Girls Basketball, and, of course Varsity Football. Pom-Pon and Cheerleaders also took their turn at motivating the crowd. They did this by speaking and doing routines on the field.

Spirits were up when the rally proceeded into its other purpose. This is when the 2000-2001 Homecoming court was announced. This year's nine lucky ladies were Cynthia Borrello, Javanese Byrd, Shannon Collier, Ashley Cramton, Amanda DeCaire, Sarena Hare, Jennifer Haynes, Maria Jaime, and Melony Lamar. Applause followed as each of these senior girls were called by our principal John Paine and morale was high as students left the stadium for lunch.

"It was fun but I thought the other classes should have been as loud as the seniors were," said senior Molly Regan. Tyler Roggmann said, "I'm a senior this year so I had a reason to act crazy."

This rally will surely be one on the "Images of '01" that we will put into our memory banks.

# Homecoming 2000: 'Tropical Paradise'

The images of '01 started with our 2000 Homecoming activities. After a school vote weeks before the events, the Queen and attendants were announced on Arthur Hill News Network's daily show. Javanese Byrd and Cynthia Borrello were named as attendants and Jennifer Haynes was proclaimed as AH's 2000 Homecoming Queen.

Homecoming weekend began October 5 with our annual assembly. The MC's were Zetna Green and Chad Barlow who announced the girls and their escorts as they walked to the stage.

The 1999 Homecoming Queen Alyssa Bearss came back to give Jennifer words of wisdom to the court and to crown Jennifer. Varsity Football captains Chris Phillips and Lionel Kilbourne came out to promise a win against Flint Northwestern the following night. Then the girls accompanied by their escorts did dance routines to songs like "Bye, Bye, Bye," "Last Resort" and "#1 Stunna."

On Friday, October 6, Hillites celebrated Homecoming with a parade down Adams Blvd. before the football game. Classes and

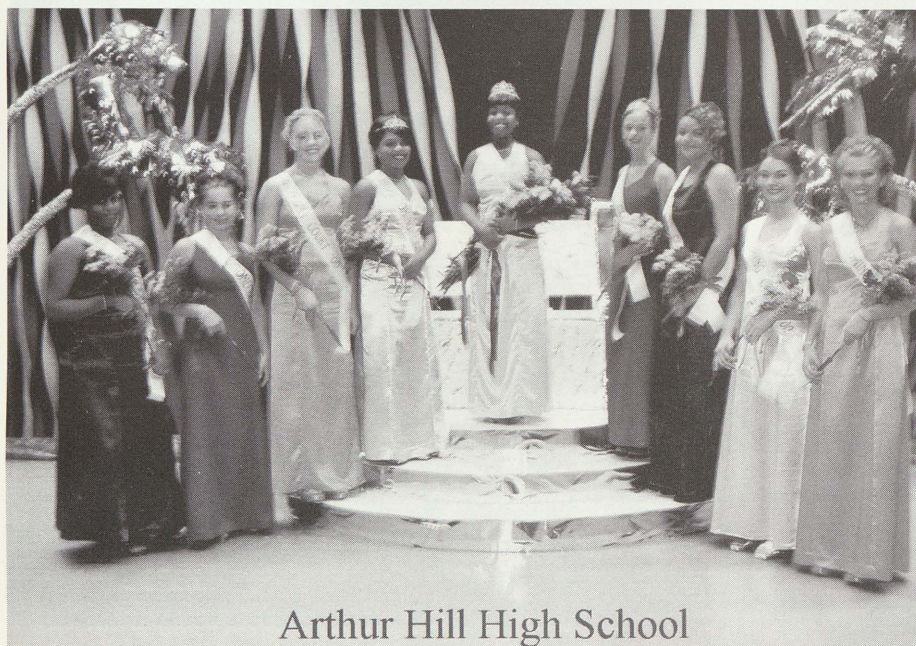

clubs decorated their floats according to the Tropical Paradise theme with bright colors, grass skirts, flowers and palm trees to compete for best float. Students threw candy at the spectators as the court rode on convertibles through the parade.

Arthur Hill won the football game vs Flint Northwestern 52-6. It was the team's first win of the season and was a very exciting event. At halftime the sophomores were announced as the winners of the float contest and the band played as the court made their way onto the football field with their parents.

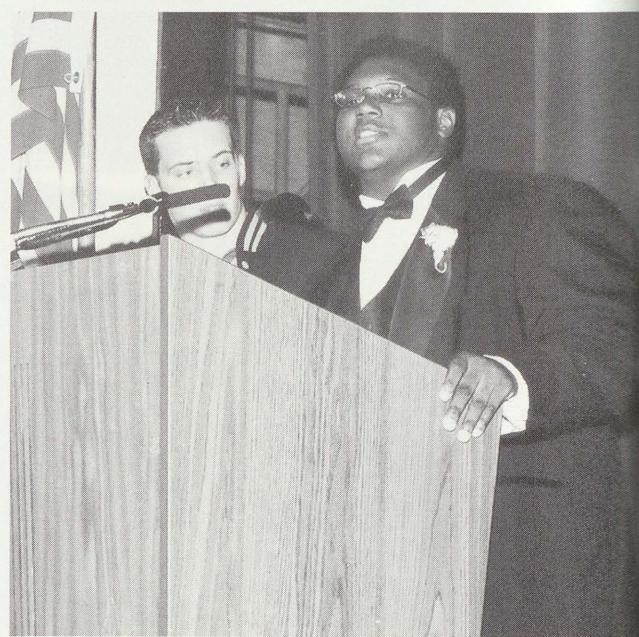

The Homecoming dance was held on Saturday October 7th from 8:00pm-12:00am. The gym was decorated to reflect the theme "Tropical Paradise".

The DeeJay provided a good variety on the latest music as the students danced the night away. Homecoming 2000 was a memorable and exciting evening and provided many images of '01.

# King Arthur takes his reign

This year's King Arthur Assembly was definitely one to remember. The nine nominees were Chad Barlow, Joe Beane, Ben Esparza, Tommy Goodwin, Freddie Jackson, Justin Miller, Chris Phillips, Tim Schuette, and Devaundre Whitson.

King Arthur's Court was introduced to the crowd by the Homecoming Court, who had written poems for each candidate. The candidates were escorted into the gym by members of the Pom Pon squad. After the introduction, the crowd was entertained by routines from the Step Club, Cheerleaders, Homecoming Court, and Pom Pon squad.

The seniors kept the crowd rowdy throughout the assembly. Sir Gallahad was Freddie Jackson, Sir Lancelot was Chad Barlow and the 2001 King Arthur was Joe Beane.

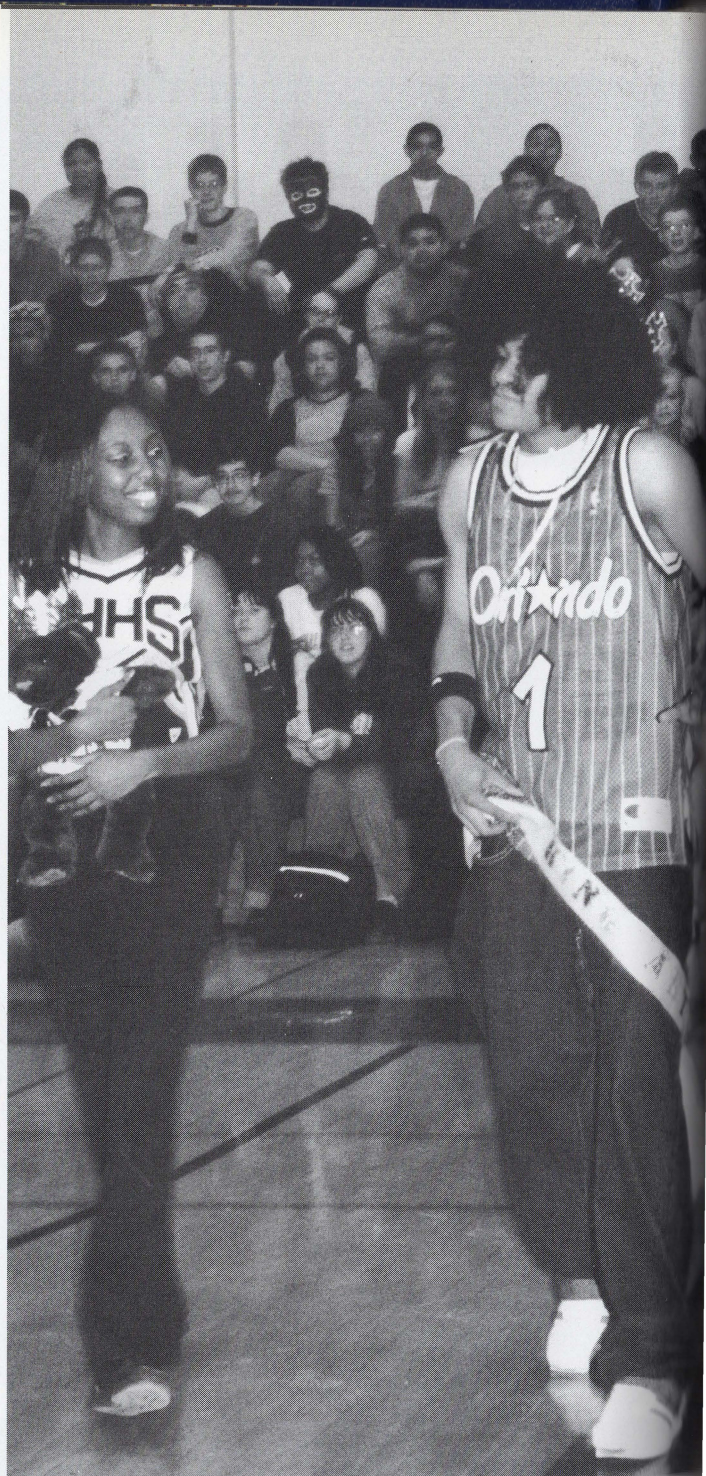

"It's a great honor and something I'll tell my grandkids about," said Tommy Goodwin. The nine candidates will surely put this in their memory books as a lasting image of '01. *by Loni and Danielle Flores*

# The Spirit of The Hill

Spirit days at Arthur Hill were, as always, very fun and eventful. Our Student Council sponsored five Spirit Days this year. Normally these days landed on the last Friday of the month.

Halloween/Dress Up Day was a day where students dressed as a character or a type or person they wanted to be for the day. Some dressed in scary costumes, some went as pop-stars, some took their costumes to the extreme. In all cases, it was a fun day where you could temporarily take on a new identity.

It's always embarrassing when you go to school to find someone wearing the exact same thing as you are. However, on Twin Day, there were many sets of "twinkies" all around Arthur Hill. Students really got into it. Not only did their clothes match, some went as far as to match hairstyles, jewelry, shoes, belts and other accessories.

On Celebrity Day, students chose singers, actors, and athletes to look

like for the day. People used clothing, wigs, make-up, took on a personality, and some even dyed their hair. Students went to def extremes getting into the spirit of Celebrity Day.

For 60's and 70's Day, students dug out their parents bell bott and beads to relive the hippie and disco eras of the past. Stud decorated themselves in peace signs, flowers, and hairstyles f "Saturday Night Fever."

The last spirit day of the year was 80's Day, Many students dec to revisit their childhood days of denim skirts, ruffles, side ponyt MC Hammer pants, flannel shirts and big, long hair. 80's Day su brought back a lot of memories for Lumberjacks.

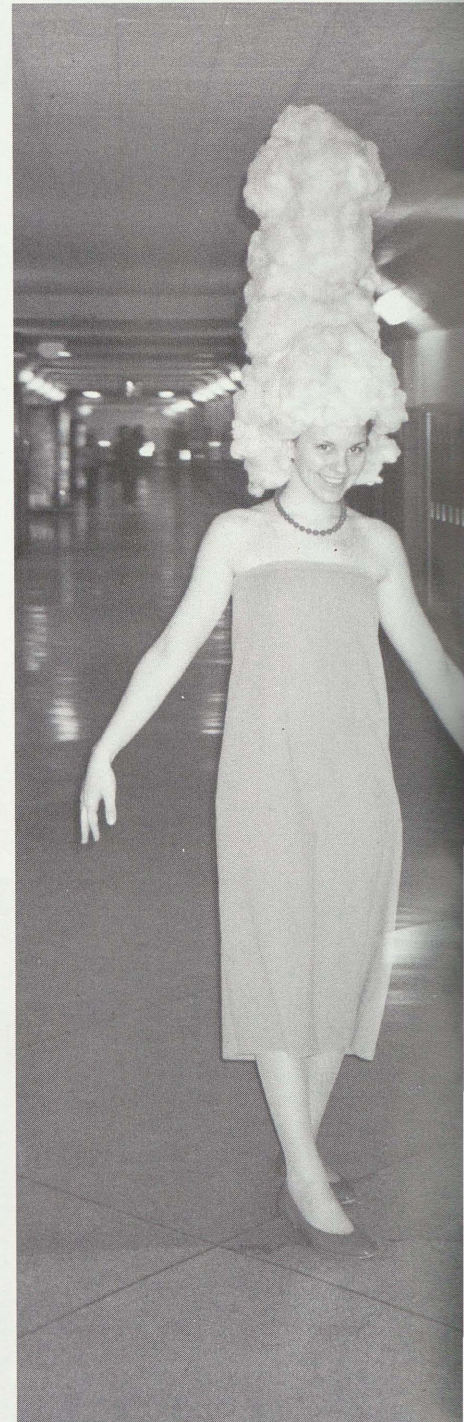

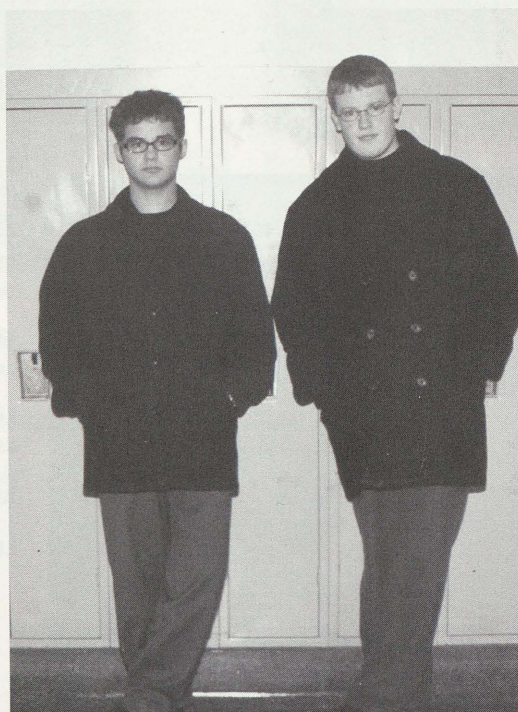

Spirit Days are always exciting at the Hill. From being just like person, to becoming someone famous, the images of '01 are diverse fun. *by- Jennifer Cielma*

# Walking in a Winter Wonderland

After being stuck inside all winter, the Lumberjacks decided to get out and party. Snowball, the annual winter dance was a great event for students to get together and "thaw out" from the cold winter.

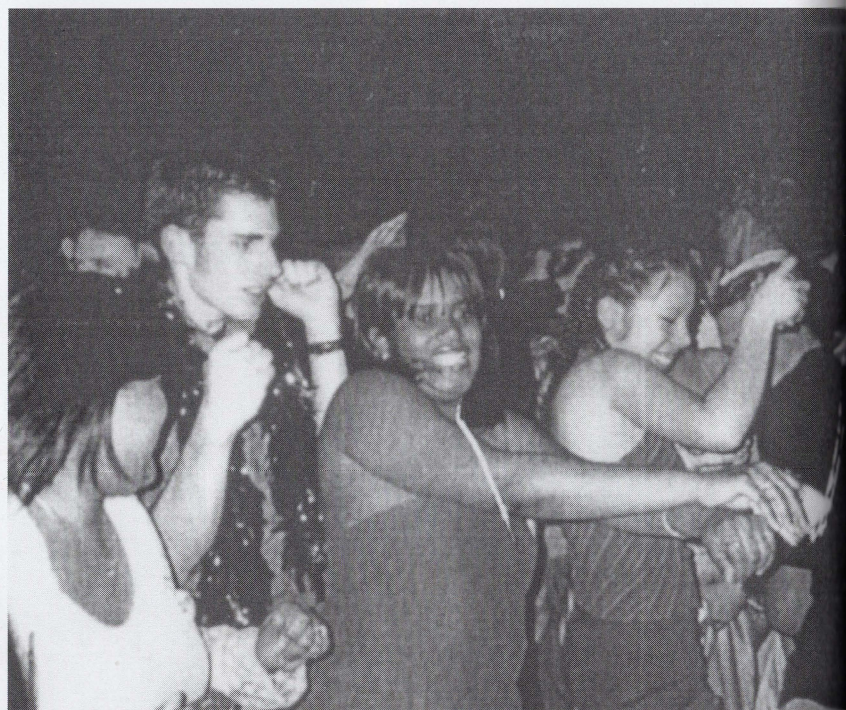

About 700 students attended Snowball. With the gym packed, filled with tons of energy, everyone seemed to be having a great

time. The winter event included a dance contest won by the seniors. Students also learned new dances to perform including the "Cha Cha Slide."

A variety of music was played for every one to have fun. from oldies to rap, country to rock, everyone had a chance to join in. Let snow be the theme of 2001, be forever a great image of '01. -by Erin Kris

# Students Show Us Culture

This year's Black History assembly was one member. Its theme was "Creating and Using the African-American Community: Family, Church, Politics, and Culture."

The Mistress of Ceremonies was junior Tif Lewis. The program opened with an original poem "Our Struggle Is Not Over Yet" by senior Tacarra Ford. Junior Candyce then sang a song entitled "Motherless," and junior Eric Chaffer recited a poem while junior Jamar Humphrey entitled "When I Look At Me." Junior Andre Westbrook

read an essay, "Voter Blackout", which described the 2000 presidential election and the disputes over black votes not being counted.

Other presenters were Humphrey reciting an original poem entitled "Culture," and senior Dominique Brown reciting "Politics." Junior Ronneshia Linzy did a creative dance while junior Denise Hare sang Yolanda Adams' "Open My Heart." Mrs. Kohut directed the choir with "Lift Every Voice."

The assembly ended with a creative African dance choreographed by junior Julie Pierce.

Dancers were senior Shortorah Amos, and juniors Michaela Garth, Tekela Mitchell, Shontaye Moore, Julie Pierce, and Ariell Sawyer.

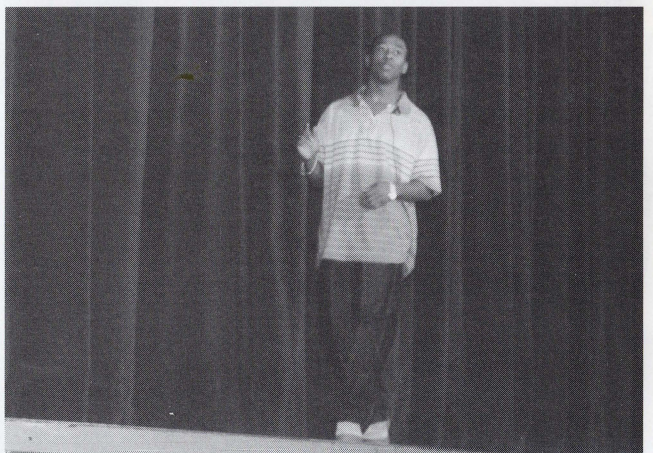

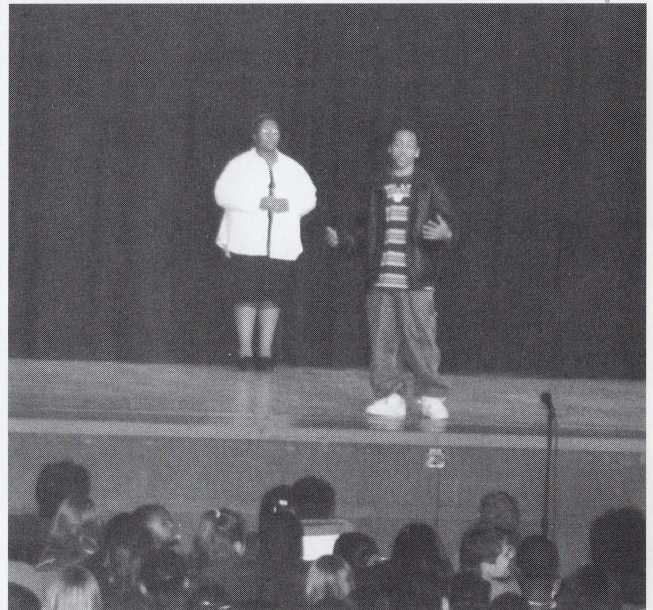

Another assembly sponsored by Arthur Hill's Black Studies Club, was a concert by the Roots Rock Society. The band was from Chicago and consisted of four members playing a collection of Reggae hits.

Students enjoyed their sound and the opportunity to join the band on stage and dance and play instruments.

# S E N I O R

"Half of my teachers were nuts and I'll miss them the most. 'Used golf balls for sale, they're already trained.' - Mr. Mosca. 'That was the climax of the story, didn't you feel anything?' - Mrs. Smith."

~Nicole Sliwinski

"My favorite memories are from the successful tennis season and being Master of Ceremonies for the homecoming festivities."

~Chad Barlow

"I will miss the great girls that I played soccer with. I've never been on a team that got along as well and had as much fun as we did. I will also miss Coach Jim."

~Tabitha Wright

# M E M O R I E S

"I'm going to miss seeing all of the sreet girdois"  
~Adriane Nowland

"I will remember the few teachers who treated  
me as a person and not as a student."  
~Jason Schwannecke

"The biggest things I'll miss about AHHS are,  
first my friends, they're the friends I've played  
dolls with earlier in life (and still do, Shhh...)  
that I'll stay friends with forever... Posse... but  
I'll miss the ones I see here at AHHS. Then  
there is Mr. Shinaver, a teacher, a friend, a role  
model, I'll never forget him. Lastly school plays...  
they were the best. 'I owe my life to the people  
that I love' - Ani DiFranco"  
~Katie Griffus

# Exchange gives Images of '01 foreign flavor

This year we had four exchange students that came from all various parts of the country.

**Disa Andus** is from a small city in the southern part of Sweden. She participated on the varsity tennis team at the number three doubles position. Disa also played volleyball and soccer.

**Meike Newiakdomsky** is from Leverkusen, a city in Germany. She played soccer and volleyball this year. She enjoys music and hanging out with her friends. Meike speaks English and German very well. Her brother, Sabastian, was also a former exchange student at Arthur Hill.

**Sachi Morioka** is from Akita, Japan. She liked Arthur Hill a lot when she got here. In her spare time she enjoys shopping and music.

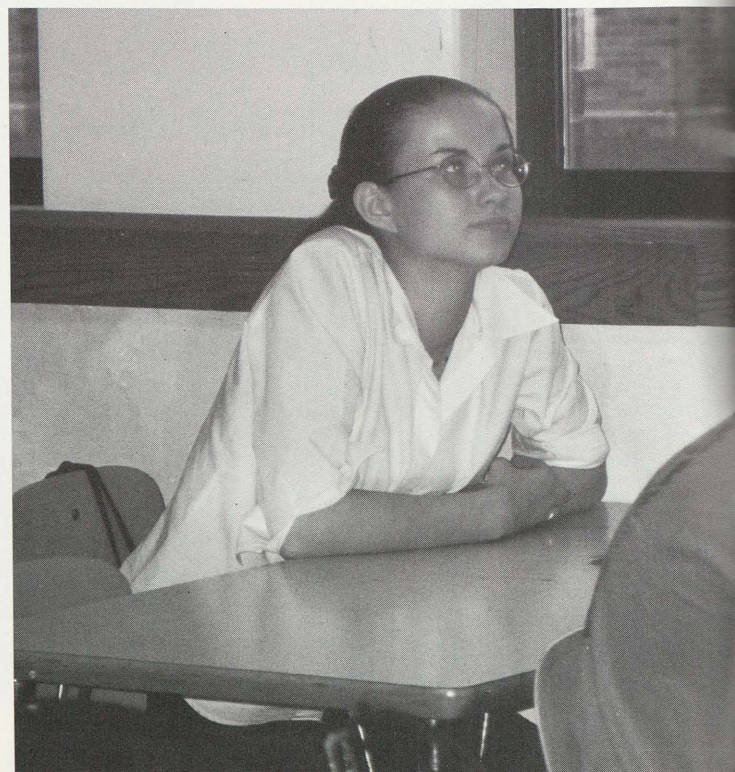

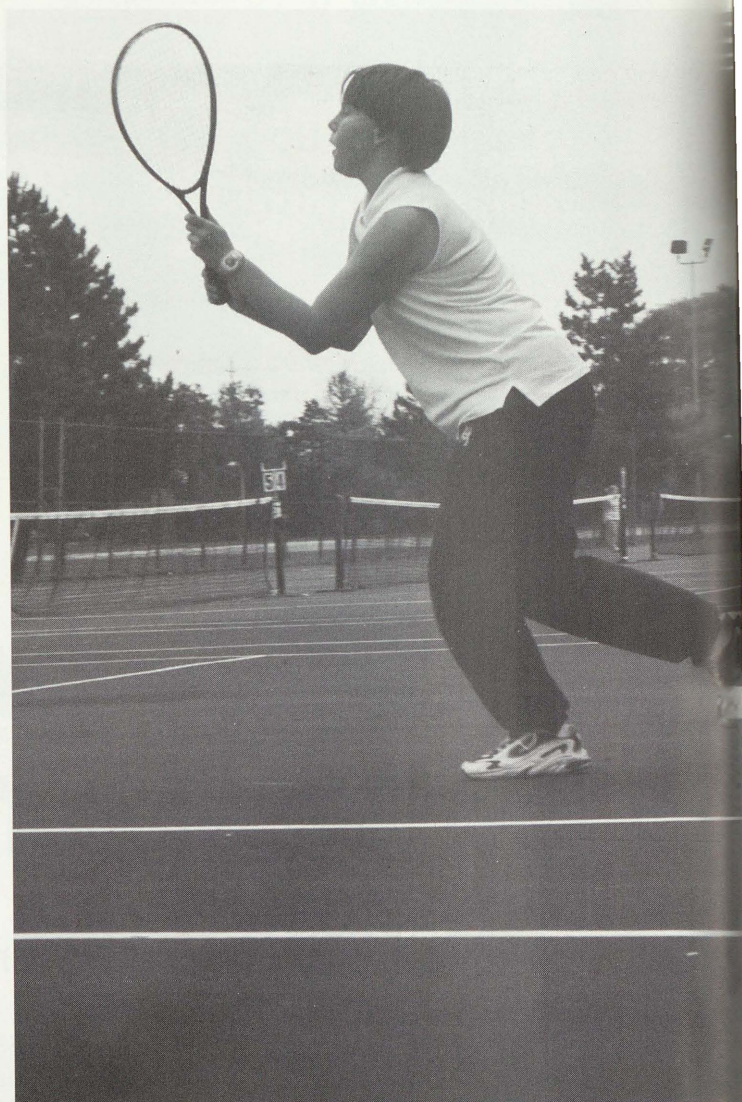

**Julia Efimeko** is from Moscow, Russia. She came to the United States so she could learn English and meet new people. Her favorite classes are Economics and Physical Education. Julia also participated on the swim team. Diversity has always been a strength of Arthur Hill.

# Senior Wills

I, **Roderick Adams**, leave my sense of humor and cool personality to my cousin Kylis Brown.

I, **Tremomisha Akins**, leave my ability of being smart and successful in life to my cousins, Marcus Dupree Jones (Buck) and Brittani Nicole Sutton.

I, **De'Andre Allen**, leave James Brooks my flirting ability and my sports skills.

I, **Shortorah Amos**, leave JoAnn Rushdan and Joy Strong all of my athletic abilities.

I, **Disa Andius**, leave a little bit of Swedish spirit and I'm taking a lot of American culture back home.

I, **Eric Anspach**, leave Jenny McMan my ability to love a good band like STYX.

I, **Renee Archambault**, leave my gallows to Jessica Shinder and my green unihood to Leah Pavlovich.

I, **Chad Barlow**, leave my little sister Abby my charm and the ability to leap tall buildings in a single humungous jump.

I, **Nicole Barney**, leave Abby Stadnika my Dixie Chicks tape to jam with in the parking lot, and the will to always be an overachiever, like the real Dixies.

I, **Raquel Erika Barrera**, leave my Latino Action Club Card and "Golf Mom" status to my sister Veronica Barrera, and JoAnn Elizalde.

I, **Jeff Barrett**, leave the library staff the space I've been taking up on the library computers' hard drives.

I, **Joseph Beane**, leave the "Beane" legacy to my boy from back in the day, Allan Crawford.

I, **Broc Beets**, leave Kyle Prinz my talent to play hockey.

I, **Shannon Bishop**, leave my love to Anthony Gawthrop forever and always.

I, **Williease Blacksher**, will my skills at knowledge, wittiness, class, and style to all my lower class sistas who trying to move it in the 2000 back ya head up.

I, **Megan Blasch**, leave my freshman Dougie my excellent clarinet playing abilities and my pride for being a band geek.

I, **Cynthia Borello**, leave my cousin Lauren, my sister Angie, and brother Jeffery, the best of years at Arthur Hill.

I, **Michelle Bradford**, leave my sister Shanicka and her friends my car. Dr. safe.

I, **Chris Brown**, leave Shawn Brown a big happy rainbow, so he can be happy all year long.

I, **Tania Brown**, leave my ability to adapt to new situations to all the future students who end up being the "new" boy or girl.

I, **Charles Burks**, leave all four of my lockers to my brother CED-Williams, and A-Dixon.

I, **Javanese Byrd**, will Tiarra Wright my ability to succeed and be the best.

I, **Jahon Cabine**, leave my "Runner's Prayer" to David Davis, because that's my 2<sup>nd</sup> best friend and he is an up and coming track star, behind me, I'm from Flint Northern High School. Flint is on the map!

# JUNIOR IMPRESSIONS

"I look forward to being a senior next year and celebrating my last year with my friends!"- Amy Thomas

"I enjoyed how much freedom we had as juniors this year and how responsible we have become!"  
- Marc Beaudin

"This year, the things that I enjoyed the most are my friends and some winning football games. I look forward to the same things next year but with more winning streaks."  
- Clovis John Sarmiento

"I'm happy that we were still allowed to go off campus for lunch this year. Also I enjoyed seeing the effort teachers made to try to change instead of trying to being higher than everyone else."  
- Amy Potter

"This year I enjoyed hanging out with my friends and going to the football and hockey games. Next year, I look forward to just being a senior and graduating!"  
- Jacob Albers

"This year I've liked being with my friends. Next year, I'll be a senior...what else can I say?"- Andrea Thon

"I really look forward to graduating next year and going off to college!"  
- Anthony George

"Who don't like it?!?!"- Tadric Robinson

"I love meeting new people and making new friends, but most of all I enjoyed the time I've spent with my closer friends!"- Erin Kris

“ I look forward to next year being our senior year. We'll be top dawgs!  
- Nicole Sisson ”

“ We'll be at the top of the food chain eating up all the freshman!  
- Laura Frost ”

“ What I enjoyed most about this year was hanging out with friends and actually being able to drive by myself. The down side of this year was our football and basketball teams.  
- Andrea Alexander ”

“ It was fun hanging out with friends at school!  
- Brandon Donaghy ”

“ This year was alright, but next year is going to be great because I will graduate.  
- Jonathan Collins ”

“ So far I have really enjoyed this year, except for missing all my awesome friends that graduated last year. But girls soccer team is going to be great and I know we will all have fun. Besides I'll be graduating next year-  
Awe- yeah '02!  
- Sara Loiancano ”

# JUNIOR IMPRESSIONS

“ It was a really tough year but we (swim team) did well. Go hard or go home!  
- Lindsay Olson ”

“ As I sit here and think of departing this school next year, I will miss the friends I leave behind and the consistent reliable guidance from my teachers and peers.  
- Stevie Jarabek ”

“ I enjoyed chillin with the junior class because we're the hypest class here but next year will be sweet because we will graduate!  
- Deontae Dennis  
(TAE- Boogie c/o 02)

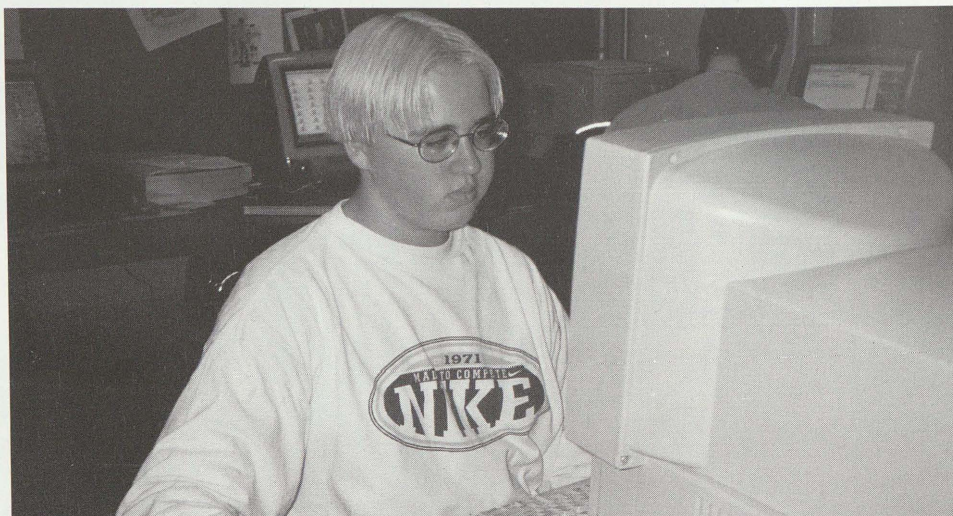

“ It's all gravy!  
- Jon Yanca ”

# Language Arts classes prepare students for future.

What do you think of when you think of the images of '01 English/Language Arts classes? Do you see students working, studying, or reading? Yes, that is what you usually see, but it runs deeper than that. There is also a lot of learning that takes place.

The English/Language Arts teachers worked hard to prepare students for the MEAP, and for life long learning. Reading and writing abilities were also a main focus. The teachers used a variety of methods in order to help students learn. These methods include: using the writing process, preparing to read, studying the format of the text, etc., venn diagrams, story and character maps, reading response logs, and daily journal entries.

"We want scores to increase in both reading and writing," said Mrs. Oliver, "So we focus in all classes on preparing portfolios and on the analysis of literature." Our English/Language Arts classes definitely have done a lot, but everything they've done was worthwhile. - By Sara Flora

# Math Department brings new idea to freshmen

This year the math department is doing something new with our freshmen. Mr. Kabobel is the head of the math department. Along with Mr. Kabobel there are Mrs. Hoerauf, Mrs. Strawter, Mr. Mosca and Mr. Wilson in charge of the "micro communities."

Our freshmen are divided into teams of their four areas: math, science, language arts and history, also known as interdisciplinary units. This way, students can see how their subjects relate to each other. So if a student asks the question, "Why are we learning this?" they will be able to see how math relates to all four subjects. Thus, students are more successful in all of their classes because they can see how this connects to the core areas.

We talked to Mrs. Hoerauf and she stated, "I definitely think this is better for the freshmen. This way they have a better and more positive attitude; not being mixed in with the upperclassmen." We also had a chance to talk with Mr. Wilson. This is what he had to say, "I think it's great! It's very positive. They learn to use teamwork and to support one another. It gives them a sense of belonging, routine and being more comfortable in class!"

So in the end, this new idea seems to be doing very well and enhances the image of '01. *by Erin Kris*

# Science class gets interesting with hands-on learning

Science class gets interesting this year with lots of hands on learning. Students worked with science in and out of the classroom this year. Traditions continued with river testing projects and chemistry lab Thursday's. Could you imagine picking through owl pellets? Well that's what ninth grades science students had to do. "You just have to get your hands dirty and dig in," said Mrs. Neilson, 9th grade science teacher.

Mrs. Pam Thompson the department chairperson for the science department, had a very exciting year. She is in charge of coordinating the Science curriculum. Also while working on a grant, she had Mr. Enzer (former chemistry teacher who retired last year), come out and substitute on Fridays. It gave him the chance to come back and do what he loves, teaching students. New teachers Mrs. Collins came from Central Middle School and Mrs. Neilson came from Saginaw High School. Stephanie Coffel and Michael Pillay had the opportunity to teach through the new teacher alternative certification program.

Science classes consist of Life Science, Physical science, Astronomy, Advanced Biology, Physics, Human Biology, Chemistry, and Medical Technology.

This year Ken Quackenbush and Celeste Conflitti-Millar have come together with the Ecology Club to work for the Michigan Historical Preservation Project. This includes taking wood pieces found in the Saginaw River with early marks of lumber companies burned into the timber and preserving it for the future. With the help of Dow Chemical Company they worked to keep the wood in good condition for future generations to come. -by: Maria Harvey and Rachel Jasinski

# Social Studies at its best!

Chairperson Mrs. Jan Tolley leads the Social Studies department. The department consists of World Geography, US History, Psychology, Sociology, Government, and Economics.

New to the department this year are Mr. Decuff, Mr. Olvera, Mr. Slaggert and Mr. Wilson. With them they bring years of experience, creativity and enormous amounts of school spirit.

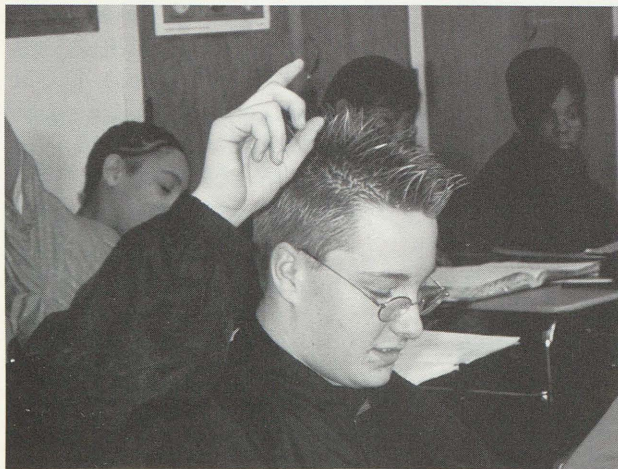

Students in Mr. John Gravlin's government classes followed the presidential election closely. Gravlin required each student to volunteer five hours of service to an election campaign, to learn the inside view of how the political system works. "It was interesting learning about the political process and maybe in the future I will volunteer again," said senior Justin Miller.

Meanwhile economics students investigate the costs of having a car. Students had to go to local dealerships and find a car that they could buy based on their allowance. After finding a car they had to contact insurance agencies for full coverage insurance for their vehicle. This assignment gave students the opportunity to know what having a car of their own would be like.

US History teacher Mr. Puffpaff literally brought history to his students. It all began with him bringing in artifacts from the different wars including helmets and gas masks that the students got to try on. World War Two veterans came to visit and share their experiences of the war.

With all the new developments in our rapidly changing government, teachers educate to keep the images of '01 alive in our minds for years to come.

# Elective classes give us a break

Elective classes offer students a break from their academic schedule to take classes that specifically interest them. These classes range from drama to foreign language to technology, and include everything in between.

Jennifer Haynes said her schedule is full of elective classes. She comments, "I can't complain."

Another student, Christopher Carlton, says, "They're fun if you get one you like. If you don't, I'll send my condolences through the mail. Besides, they're droppable."

Although 2 out of 2 is a good record, I thought I should get another opinion. I asked Carita Wilson, a sophomore, what she had to say about her elective courses. Her answer was, "I like them very much. They're the high points of my day. I'm always very happy when I leave them."

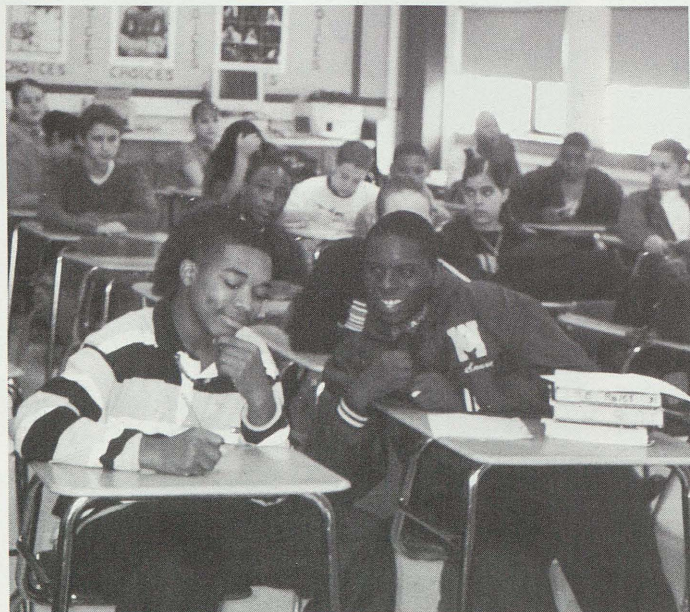

Another elective offered here is Teacher Cadet. Each student in the course learns teaching techniques, and actually get teaching experience in a real classroom.

Tacarra Ford was a Teacher Cadet. She had this to say, "It was my favorite class that I have ever had in my whole life."

Well, there it is folks! All critics agree! Electives are definitely a favorite among Lumberjacks! *By Jenny Cielma*

# SCC creates opportunities

The Saginaw Career Complex is a great opportunity for students to learn more about the career of their choice and to get on-the-job training, while still attending high school.

SCC had two sessions; morning session, which ran from 7:05 a.m. to 10:05 a.m. and afternoon session, which ran from 11:35 a.m. to 2:35 p.m. There were over 20 different classes to choose from ranging from welding to graphic arts.

The main focus in attending SCC is for juniors and seniors to learn the skills and qualifications of their specific career fields. When graduation comes, SCC students will be ready to step into the real world.

As their motto says, "SCC is LEARNING FOR REAL LIFE." -by Erin Kris

# SASA prepares AHHS students

The Saginaw Arts & Science Academy was in full gear for 2000-2001. Its full-day program went strongly and it seemed to be blossoming into success.

The concentration programs offered were: 2-D Art, 3-D Art, Global Studies, Language Arts, Math/Science, Theatre, and Voice/Keyboard. Several Arthur Hill students attended SASA for the afternoon portion of their school day.

Each concentration allowed three hours of work focused on one subject. It is a great preparation for college and work, but most importantly, it's a great preparation for life. *Story and photos by Jenny Cielma*

# School Board, Administrators Lead Hill

This year our administrators were hard at work. Students appreciated the efforts of Principal John Paine and Assistant Principals Mercedes Perez, Edward Whitney, and Winston Adams.

Our administrators are continuing to focus on many things. Such things as decreasing the drop-out rate of students, creating a safe school environment, improving the reading abilities of students, career pathways, better MEAP scores, supporting the teachers, their classrooms, their activities,

and their needs.

Our staff has developed three main goals to guide the students to receive the best educational experience they can. These three goals include communication, citizenship, and critical thinking.

Our administrators' biggest plan this year is the rededication of the Memorial Stadium, which will take place in the fall of 2001.

There is no doubt that the administrators work hard during the year to accomplish

their goals, and then some. They definitely have hectic jobs, and they keep going.

Teachers and students received shocking news when long time superintendent Foster B. Gibbs announced his retirement. Gibbs had been the educational leader in Saginaw since 1978 after beginning as a science teacher and coach in 1959.

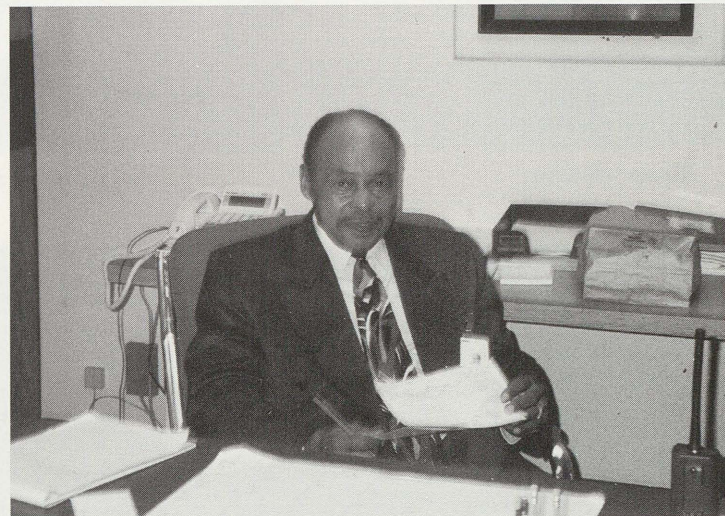

Under Gibbs' administration Saginaw Schools has added the Ruben Daniels Lifelong Learning Center and the Saginaw Arts and Sciences Academy. - by Erin Kris

# Janitors, Cafeteria staff work behind the scenes

You pass them while they are sweeping the hallway. You receive the food they cook at lunchtime. They are an important part of our school. They are the janitors and cafeteria staff.

Many students don't realize the importance of the janitors and cafeteria staff. The cafeteria staff may prepare the food you eat for lunch. For special occasions such as: Thanksgiving and Christmas they make lunches to fit the times. They try to please everybody with a great variety of the food. About one-third of the students attending Arthur Hill eat hot lunch on a regular basis. Almost everybody will eat hot lunch at least once during his or her four years of high school.

The janitors keep our school as clean as possible. They get to school in the morning before the students arrive and are here well after school lets out. The janitors clean up the tremendous messes made during dances, assemblies, games, and other important school events. If it weren't for the janitors our school would look like a garbage dump from the disrespectful students who have filled its halls.

As you can see janitors and cafeteria staff are more than "cafeteria workers" and "janitors", they are people just trying to help out the students. *by Tracy Baase*

# Secretaries keep school running

The secretaries have done a great job this year of taking care of their everyday office business. From organization to just a smiling face, they were an important aspect in Arthur Hill daily life.

Was 6:00 a.m. too early for you to get to school? Well if so, Mrs. Grace Newvine doesn't believe that. For the past 20 years she drove three hours each day to get to Arthur Hill. She always arrives on time at 6:00 a.m. She is a secretary in the main office. Mrs. Newvine said that Arthur Hill is a great school. The other main office secretaries are Kendra Modrall and Joanne Martin. This was Modrall's second year at Arthur Hill. She enjoys traveling, bike riding and reading. Martin was a parapro at Arthur Hill for 4 years before becoming a secretary. She has been a secretary for 12 years.

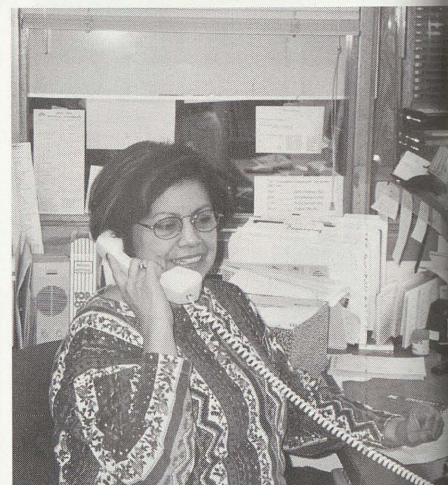

"Working with kids is rewarding, when I run into a former student who remembers me, it makes my day," Mrs. Martin said.

There were three secretaries in the Student Personnel office. Mary Weiland, Patricia Jacob, and Bonnie Greko. Weiland has been a secretary for 24 years she enjoys reading, fishing, crafts, and singing in the church choir. Jacobs was a secretary/paraprofessional. She is the mother of three children and her son Mr. Dave Jacob was also an Arthur Hill employee. "I enjoy helping the students," Jacob said.

Greko is the attendance secretary. This was her first year at Arthur Hill. She enjoys running, shopping and movies, and is the mother of twins.

The counseling office had one secretary, Mary Cortez. She has been working here for 5 years and she is also the mother of two children. I love the diversity of Arthur Hill," said Cortez

All of the secretaries of Arthur Hill were a great addition to the staff and they helped create the images of '01.

# Parapros on watch

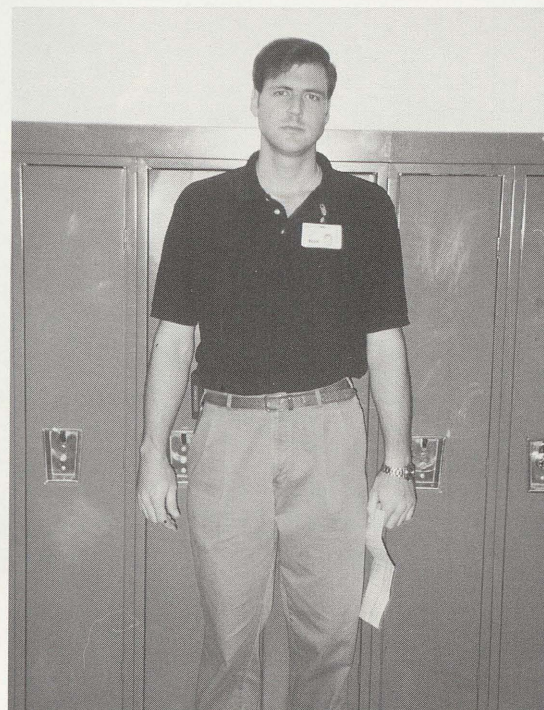

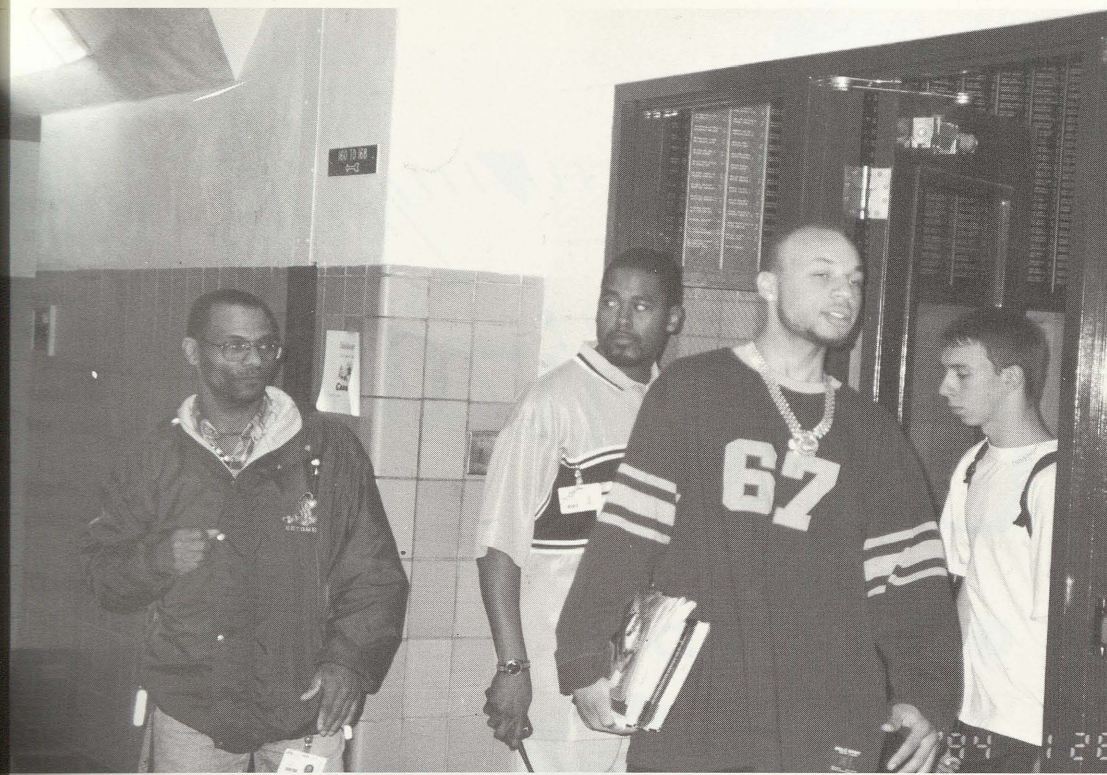

The late bell rings, you are late for class and you think you are going to get away with being late or just walking in the halls. No way! There's a paraprofessional (parapro) on each floor near the double doors. You're caught! You try to escape to the student parking lot and there's Mr. Edward Alvarez to welcome you. Alvarez retired from Arthur Hill in 1995 where he worked for 13 years, now he's back again to oversee the student parking lot. The father of four children, Mr. Alvarez isn't the only parapro always on the job.

Irene LaDrig has been at Arthur Hill for three years and works as a parapro. She enjoys crafts, shopping and spending time with her family.

Parapro John McNair is Arthur Hill's wrestling coach. "I think Arthur Hill is a very good school that prepares kids for college," said McNair

Jerry Riley has been at the Hill for four years. His hobbies are basketball and football.

Finally, Dave Jacob is a Special Ed teacher's Aid/Parapro. Currently he is attending Delta College majoring in Computer Technology. Jacob said, "This is the only job I've had that I'm excited to come to work." The parapros work hard to maintain the students and keep the school united as one ('01).

# Clubs/Organizations

# New computers aid in news production

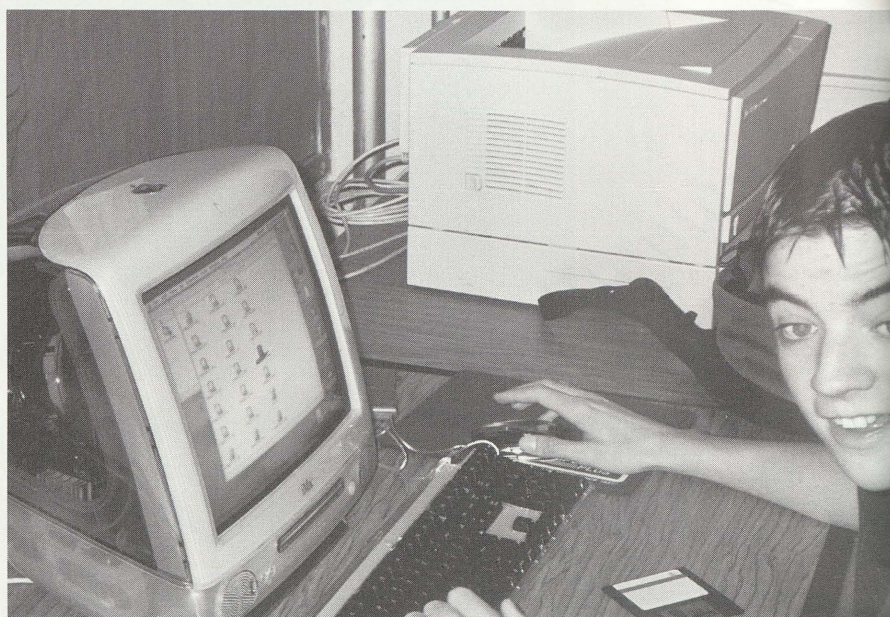

The Arthur Hill High School Newspaper is published by journalism students, under the advisement of Mr. Mike Puffpaff. "Mr. Puffpaff is a really nice guy who makes working a whole lot easier and the environment fun to be in," said Feature Editor senior Justin Miller. The news staff consists of 16 students including Editor in Chief senior Erin McGrath, who said, "We are going to have a really, really, really good newspaper this year because of all the experience and all around good talent."

The paper is usually 8 pages with a special 12 page edition at the end of each semester. After being created here at AHHS the Saginaw News graciously prints the newspaper which is distributed free during 4th hour classes to students and faculty.

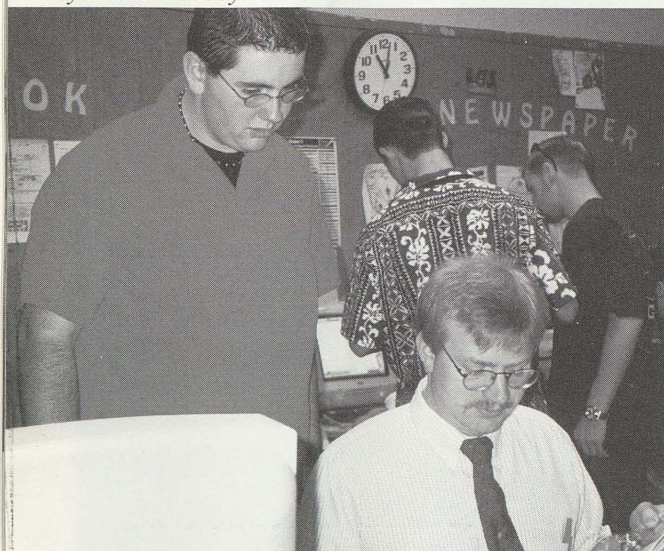

With new iMac computers, digital cameras, scanner and printer, making the paper was easier to do, students no longer had to wait 40 minutes for their pages to print or days for pictures to be developed. In this year's first edition there was no actual film used just the technology of the digital cameras. Junior Jared Sanderson said, "The digital cameras are instantaneous and quicker than getting pictures developed from the old regular cameras."

The Arthur Hill News has entered the Michigan Interscholastic Press Association, and has won numerous awards including The Merit Rating which an equivalent of third place in the rating system, and graduate Kevin Sayer won second place in the state for his graphics.

# AHNN comes back strong

Arthur Hill Network News came back for its seventh season. This student produced news broadcast airs every day during advisory. AHNN covers everything from daily news, sports footage, and weather, to bloopers and public service announcements.

AHNN is wonderful opportunity, open to students who try out for a position in the class run by advisor David Kabobel. These students learn to operate electronic equipment such as cameras, video mixers, and character generators. They also edit information for broadcast, piece together footage with their new editing machine, and acquire on air broadcasting skills.

"Each year the class gets better because the staff improves and becomes more professional," said senior Javanese Byrd. Jessica Ontiveros commented, "It's a lot of fun, I'm glad I got the opportunity to be in this class, I love it." # Yearbook Captures Images of '01

## WE DID IT!

**A**rthur Hill's 2000-2001 yearbook staff has worked especially hard this year to publish a fun-filled book. With new editor-in-chief senior Maria Harvey, section editors, photo editors, and advisor Mr. Patsy Procuro, the yearbook staff has come together to create the "Images of '01."

This year was a new beginning. With many new staffers joining, a lot of teaching had to be done. New staffers had to learn how to operate a camera, make layouts on the computers, write stories, use the new yearbook equipment, and many other techniques.

The new staffers were a bit of a challenge to overcome, but eventually the class came together to get down to business.

"We had a very inexperienced staff this year, but through hard work, dedication, and determination we got the job done. Our added bonus was that the new equipment made the job much easier this year." said Maria Harvey. *By: Rachel Jasinski and Tacarra Ford*

# Student Council leads many activities

The Arthur Hill Student Council has led us into many images of '01. They have organized dances, fundraisers and other exciting activities throughout the year.

There are many new faces on Student Council this year. The officers are President Jennifer Haynes, Vice President Loni Flores, Secretary Joe Beane, Treasurer Beth Huyck, along with the officers from the senior, junior, sophomore and freshman classes. The advisor this year is Kathy Canal.

Student Council kept busy by organizing Homecoming, Snowball, and casual dances, creating fun Spirit Days, raising money for cystic fibrosis, running food and money drives, conducting the lighting ceremony and many other activities the Lumberjacks have enjoyed. "I feel the student council is really involved in the school this year. One big priority is to get students involved," said Vice President Loni Flores. They were certainly determined to make this school year a memorable one. "I feel that by establishing goals and expectations early in the year it has given us something to shoot for, standards to meet." Said Treasurer Beth Huyck, "In past years this was not done. By doing so we've given more ideas to accomplish more of what the students demand."

Student Council has done an excellent job in providing many images of '01. They will only continue to provide many more memories and images for the years to come. *By Danielle Flores*

# YES Club Gives Back to the Community

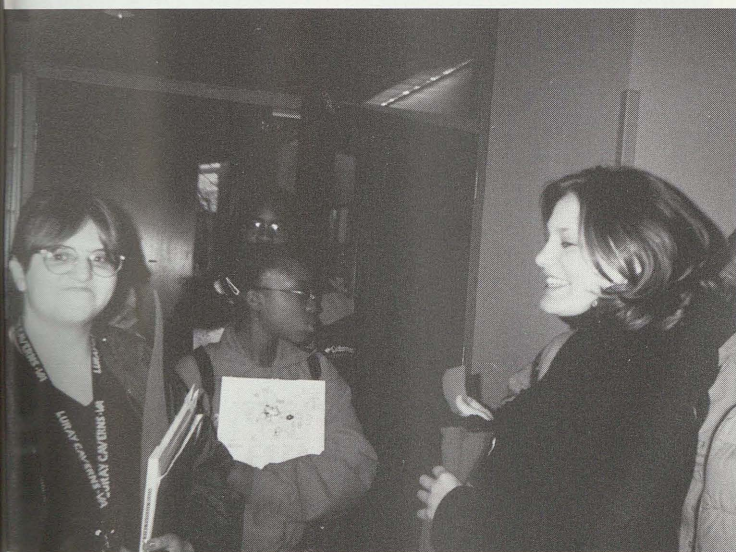

Young Educators Society or better known as the YES Club has spent another year introducing students to careers in the field of education. YES Club members gained leadership and experience to help prepare for their promising futures. The officers this year are President Tacarra Ford, Vice President Tiffany Lewis, Recording Secretary Teresa King, Corresponding Secretary Brooke Rushing, Treasurer Natasha Morris, and Parliamentarian Tyler Schneider.

"We have a lot of student support, its fun and we get a lot of experience helping others," said Vice President Tiffany Lewis. YES Club members sold popcorn at the annual Christmas bazaar. The money that was earned from the popcorn sales provides for two college visits this year. They also participated in the YES Conference where they met with other YES Club members from all over the state.

"YES Club is a great organization and it helps students prepare for careers in the field of education," President Tacarra Ford said.

The YES Club was very generous during the holidays. They provided one lucky family with a Thanksgiving food basket along with other Christmas and Easter items. Their generosity did not stop there. Members participated in "Make a Difference Day" by cleaning up local neighborhoods. They also collected books for children in need. They have provided a useful resource for all and they kept the images of '01 rolling.

## Ecology Club

# Students learn while preserving our earth

This 2000/2001 school year has been another successful year for Arthur Hill's Ecology club. One activity the club was been involved in this year is the Michigan Wood Preservation, where the students helped out with preserving wood found in the Saginaw River from the Lumberjack era. They also adopted a highway on I-75, where members clean up the highway three times a year. Ecology club members and alumni, along with advisor Mrs. Conflitti-Millar, replanted the flowers around the Arthur Hill marquee. They also had a fundraiser to help landscape Arthur Hill. For the third year the Ecology club members have not only helped out in the community but throughout their school as well.

Students do not need to meet certain qualifications to become a member, just the common desire to preserve their natural resources and earth. This year the Ecology club had eighteen dedicated members, and some alumni return to help with projects. Members not only worked hard throughout the school year, but throughout the summer also. Senior Kathleen Williamson said, "The Ecology club has not only been an opportunity to learn about the environment, but also an opportunity to preserve our earth for future generations." *By Tacarra Ford*

## Drama Club

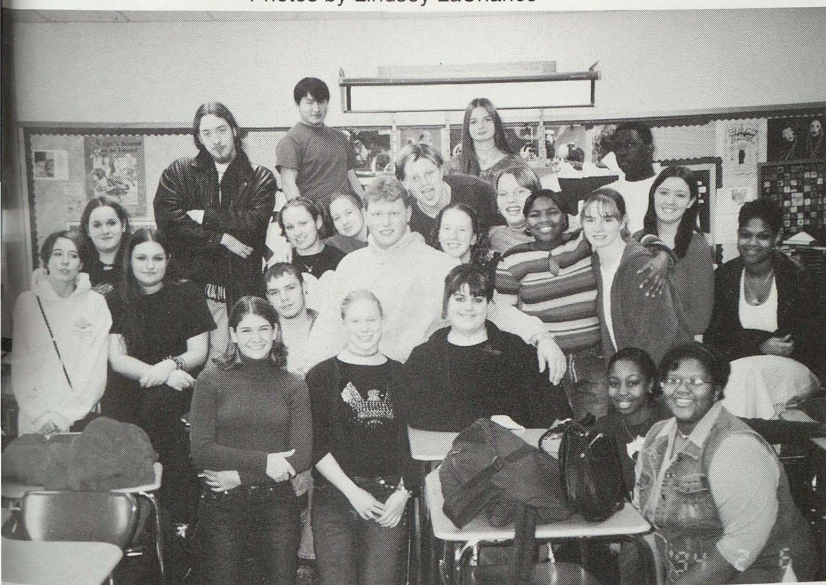

### 'Oh Christmas Tree' delights local youth

This year, students in the Arthur Hill Drama Club provided many images of '01 with the children's Christmas play called "O Christmas Tree." Directed by Mrs. Linda Rebney, the play was a mix of three different Christmas stories that taught children about holidays. Rebney said "It was so much fun to present it to little kids. This play plays very well to a child as well as an adult audience." Junior Steven Jarabek says, "It's hard work, but it's worth it to know that people enjoyed your performance and that it paid off." Drama Club did very well and will be sure to produce great productions again in the future.

# Mrs. Coleman, You're a Doll!

For the past six years, Mrs. Sharon Coleman has been taking over our school. Over that time, she has been involved in organizations such as Step Club, Soul Choir, Homecoming Court, Black Studies Club, the SADD Chapter, Key Club, and Modeling Club.

Mrs. Coleman is also the head of R.E.A.P. This represents Recreation Enrichment Academic Program, which is an organization in the schools that was developed to further educate children through more extracurricular activities.

"She always gets the job done right. She is energetic and is the best person in the world," says Cecelia Juarez-Mims, a member of the Key Club. Students obviously enjoy having Mrs. Coleman around the Hill. "Mrs. Coleman is a fun and exciting person who is always understanding," said treasurer Natasha Morris.

These activities often take up a lot of her time. Which means extra hours have to be put in. Hours that most people would not be willing to do, but Mrs. Coleman does. Arthur Hill would like to thank you for helping the kids at the Hill and for making '01 more memorable. -by Eric Tarras and Rachel Jasinski

# Two James' whose legacy at Arthur Hill will last a lifetime.

James Wilkinson and James Hess are two men that Arthur Hill will never forget. They both started out their careers at our rival school Saginaw High. Hess as an English teacher and Wilkinson as a teacher turned counselor.

After coming to the Hill in 1984 Wilkinson, known affectionately by his friends as Peaches because of his Georgia upbringing, worked his way up to the Head Counselor position that he now holds. "He is passing the baton as head counselor to me and for that I thank him," said fellow counselor Catherine Ott. Mary Cortez who works at the counseling center with him had this to say, "Knowledgeable- he's been here so

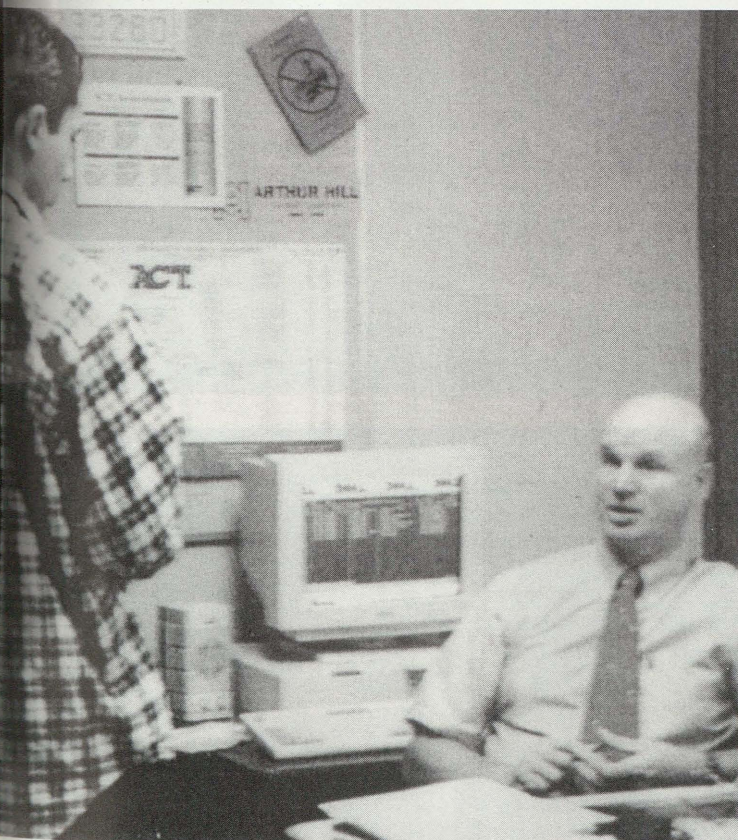

long he established most of the procedures. Whit and Charm- always has an answer with a southern charm. Helpful and fair to any student who asks. He'll be greatly missed."

Mr. Hess who retired at the end of the first semester this past year spent the last decade teaching here at the Hill. Before that he taught at South Middle School. "To students he was a stern teacher who expected that you behave every minute in class and do your work when it is supposed to be done and those students who had a problem with him were ones who did not meet his expectations. I say that in praise of Mr. Hess, every student should have a teacher like him," said fellow teacher Patsy Procuero. Susan Ryan, who spent quite a few

years across the hall from Hess said, "Mr. Hess was an excellent Language Arts teacher. His discipline and teaching style will be missed by all."

Our Principal John Paine had this to say, "Students and Faculty will truly miss Mr. Wilkinson and Mr. Hess. Mr. Wilkinson for his leadership and commitment to the needs of students. Mr. Hess for his consistency and always predictable work ethic. Best Wishes to both in their retirement."

Mr. Hess and Mr. Wilkinson, —we, the yearbook staff, wish you the best of luck in your retired years. Both of you are memories of '01 that can never be forgotten. -by Molly Hastings

Choir '01

# Choir gains performance experience

This past year was Ms. Rosemary Kohut's second year as director of Arthur Hill choirs. The choirs showed definite improvement and attained experience through lots of performing over the year.

The mixed choir this year learned lots of new things like how to read music and proper choir form and technique. While the concert choir also has to learn new tricks like sight reading and how to do advanced harmonies.

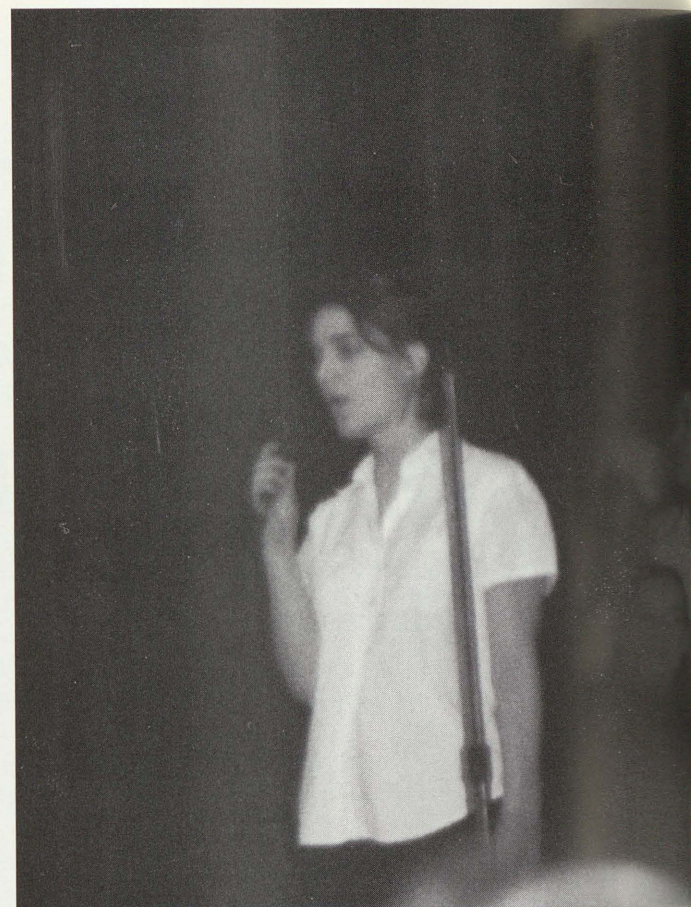

The choirs improved their performance skills this year by performing at nursing homes, senior citizens center's, and corporate christmas parties. In the spring, the choirs went to Chicago to go and see "West Side Story." The choirs and soloists performed for the school during a holiday assembly in conjunction with the band and drumline.

# 2000-2001: A year of 'new' beginnings

The images of '01 Arthur Hill marching band could be seen at every home Varsity football games and in the Homecoming, Zilwaukee, and Pride parades. This year's drum majors, John Wetzel Jr. and Katie Rich led them. Because of the large number of freshmen members the band had frequent practices over the summer consisting of once every two weeks. The week before school

started the new freshmen members had band camp where they would practice every day from early morning to late afternoon. Their hard work and dedication was heard at the many band concerts.

This year's main goals were to play with quality and discipline. Even though they did not compete this year they still had the challenge of playing and march-

ing with the quality of excellence at all of their performances.

With lots of spirit and pride the band performed their famous Christmas and spring concerts. Taking home the award for the most school spirit and involvement for the second year in a row (along with other Arthur Hill participants) the Pride parade really proved their spirit.. -by Tracy Baase

# Drummers take 3rd in WGI Competition

"If you can't do it, hack your way through it," freshman Keyante Price. The drumline spent at least 9 hours a week -only one hour is school time. With first place Mid-East Regional and third place World Championship, it shows that they do whatever it takes to get the job done.

Jamie Fitzpatrick arranged the show Alien Abduction for the winter line. With assistance from fellow instructors Steve Yoder and Greg Cole the line will be ready for Winter Guard International 2001.

For winter competition the line raises over \$20,000 with the help of the parent group. The money raised pays for bus trips and Ryder trucks to transport instruments. Just imagine getting bass drums, snare drums, cymbals, vibraphones, xylophones, marimba, and timpanies.

"With hard work, talent and dedication the line will create the image of '01 in our memories," said Anna Baldwin. *Story by: Maria Harvey*

## Jazz Band

# Love of jazz unites band

Arthur Hill's jazz band is full of brand new talent. Filled with a mix of freshmen, sophomores, juniors, and seniors. The band has a variety of members with one thing uniting them – the love of music.

It's a young group with sophomore and senior leadership. "They take charge and help to ensure performance quality is the best it can be," Mr. Curtiss said.

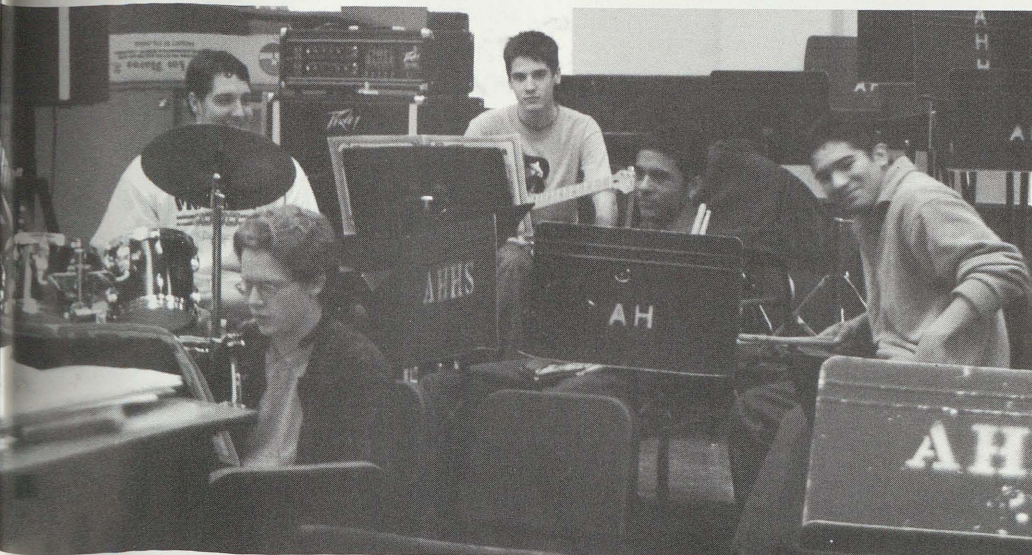

The jazz band works hard to learn and

perform different styles of jazz and pop music. They participated in spring and holiday concerts and competitions.

The jazz band also gave Mr. Paine a little surprise. On his birthday, they came down to the office and played "Happy Birthday", followed by the Arthur Hill fight song.

The music of the jazz band creates memories for all and great images of '01.

# LAC Ends Productive Year

The Latino Action Club had a very productive year. From helping out at Arthur Hill to being involved in the community. The Latino Action Club sold carnations for Sweetest and Valentine's Day.

They also decorated Christmas trees in the Media Center and went on a few visits to area colleges. The LAC made food baskets for three local families for Thanksgiving and visited Stone and Merrill Park Elementary Schools to encourage first graders to read. They also put on a wonderful Cinco de Mayo assembly in the spring and participated in the Cinco de Mayo parade.

The officers for 2000-2001 Latino Action Club are President Martin Torres, Vice-President Maria Harvey, Secretary Yvonne Lugo, and Treasurer JoAnn Elizalde. "From being in the Latino Action Club I have learned to be proud of my heritage and who I am. I also feel that as the years go by any more students will benefit from the LAC," stated Maria Harvey.

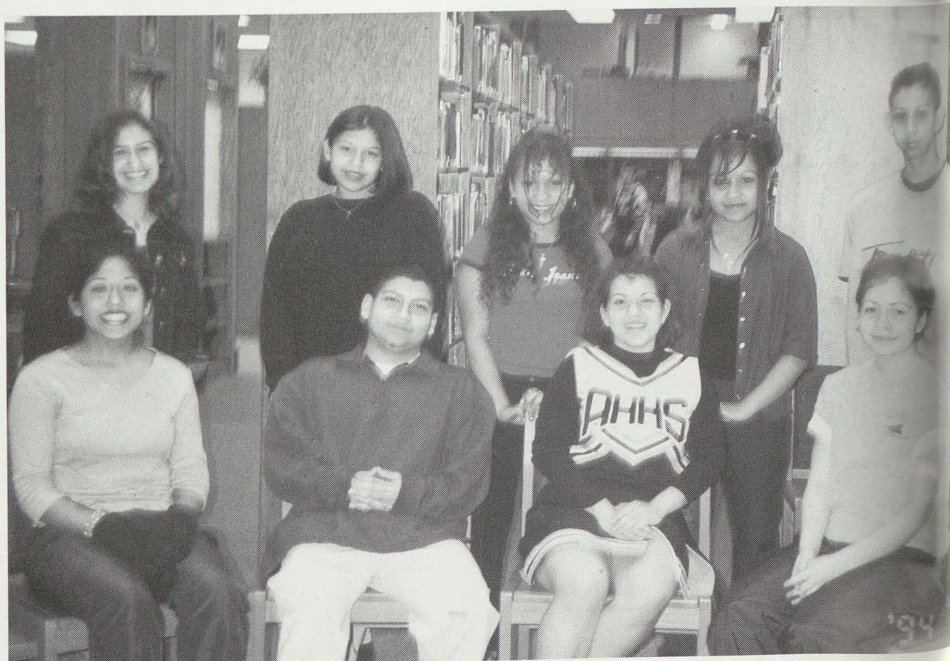

Mr. Martinez has been the advisor of the Latino Action Club. "This has been a very productive year and it has made me extremely happy to see many of the freshmen getting involved. This will help us develop more leadership in the school, not just in the LAC but in the Hispanic community as well." *By Loni Flores*

# MASS Club swears to tell the truth

The Michigan Association of Social Sciences (MASS) is the foundation of Arthur Hill's Social Studies Club. This is only the Club's second year but they are going strong. The members are all new to the group, except for junior Jennifer Clay. Most of last year's team members were graduating seniors. This year, the group also exhibits more diversity.

The MASS Club takes part in many competitions against students from other schools. The group participates annually in the State of Michigan Mock Trial Competition. They form a team and compete against other groups of students throughout Michigan. They also compete in the Delta College Social Studies Quiz Bowl.

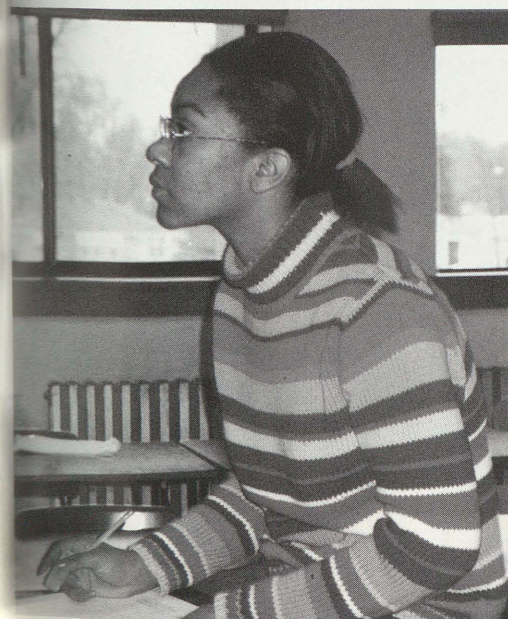

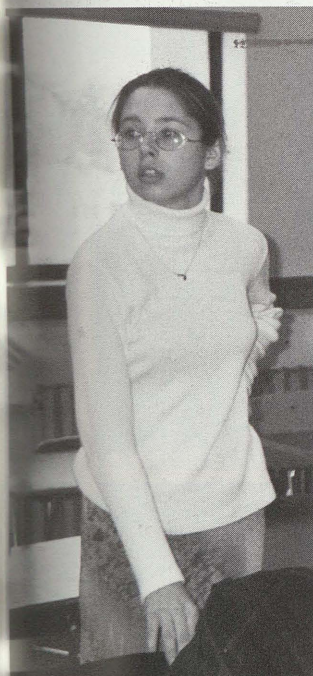

The MASS Club is currently pursuing the creation of a debate team. The debate team will compete at state level as well. There have also been

requests from some students to include a Philosophy Club branch in the MASS Club.

The advisor of the club is Mr. Kieran Astley, who is a teacher here at Arthur Hill. While he is the advisor of the group, he allows the students to have a lot of control over the activities that they participate in.

# Key Club/SADD come together as '01

This year, the Key Club and SADD Chapter decided to come together as one. This way they would be more successful, all working as one! The officers include Mrs. Coleman - Advisor, Sarah Flora - President, Andre Westbrook - Vice President, Tamarah Lane - Secretary, Natasha Morris - Treasurer, CeCilia Juarez-Mims - Bulletin Editor, and David Davis - Judge.

The club consist of about 40 members. Meetings are held every 2<sup>nd</sup> and 4<sup>th</sup> Wednesday of the month. The club meets to discuss upcoming events to help others.

The Key Club is a charitable service organization, a branch of the Kiwanis Club. It is the largest high school service organization in the world. Working together, they raise money to help others in need.

The SADD Chapter, Students Against Destructive Decisions, work together to influence people in a positive way. Thus, people will not make choices that may affect their lives, and the lives of people around them, in a negative way. The Key Club/SADD Chapter is involved with sponsoring Children's Miracle Network under the Impact Project. The Impact Project is a plan designed to help deal with awareness of alcohol and date rape and many other things. Some projects they were involved in throughout the year were: the Tab Contest, Operation Sparkle, Make A Difference Day, Bethel Harvest Carnival and many others.

With these two clubs combined, they will be working twice as hard to keep people on the right track, to keep a positive image of '01.- by Erin Kris

# BSC promotes history, culture

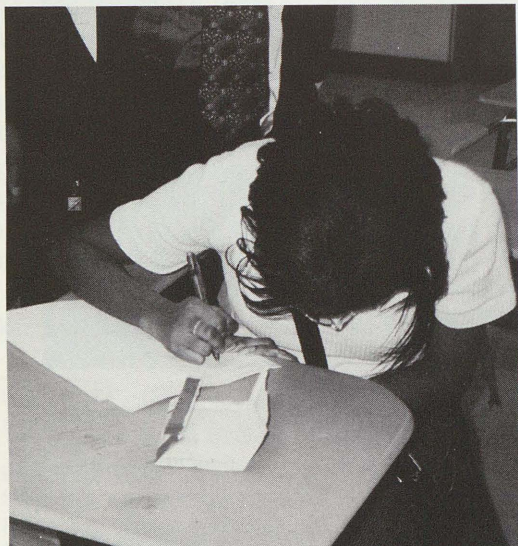

The Black Studies Club had an excellent year promoting African American History and celebrating it's culture.

The officers this year were President Natasha Morris, Vice President Candayce Young, Secretary Michaela Garth, Treasurer Ariell Sawyer, and Sargent at Arms David Austin.

The club put in long hours of hard work to put on a successful Black History Month Assembly. Also as a fund-raiser for the club, the BSC had it's first spring time dance this year.

## Club Stepping into 2001...

Rap tap tap, goes their feet, clap clap clap goes their hands...

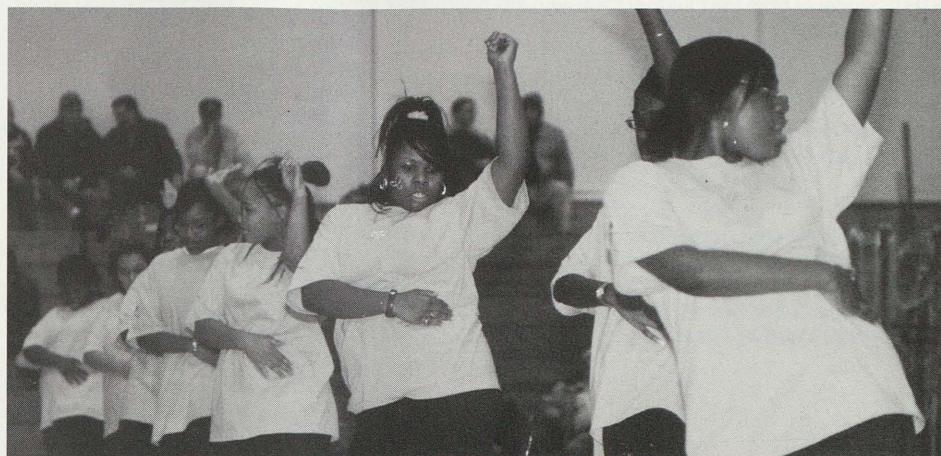

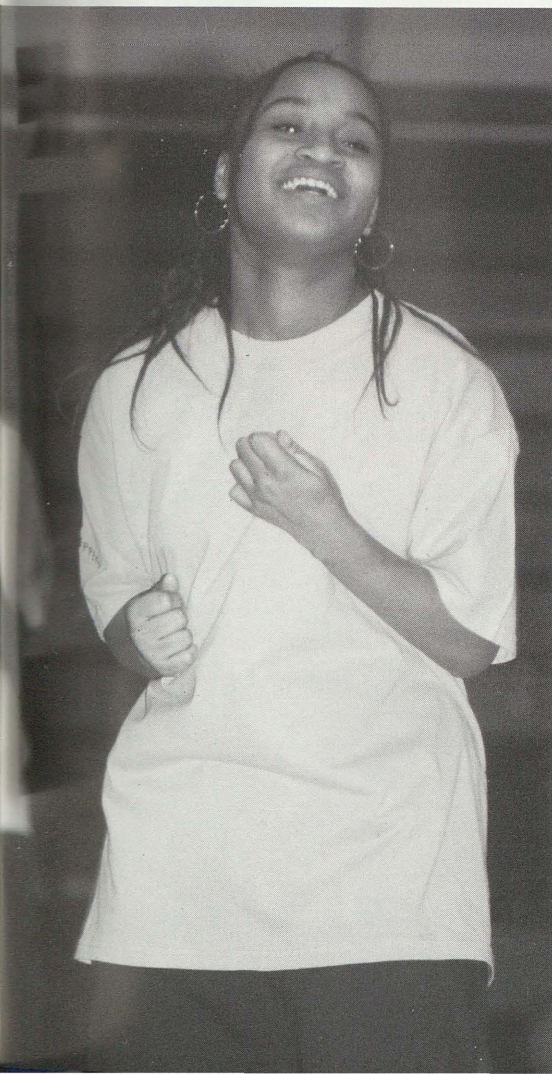

That ever familiar sound you hear is the Arthur Hill Step Club. Led by Mrs. Sharon Coleman, the club is made up of many girls from freshmen to seniors, who just can't help but stomp their feet.

Step is a technique where you use your body as a musical instrument. The girls compose the steps and put them together to preform at games, shows and demonstrations. They also have the opportunity to add dance to their routines.

The members of the club practice diligently twice a week for three hours at a time, to bring an entertaining performance to their many spectators.

The Step Club started with a group of girls coming over to Arthur Hill as freshmen in 1994. This year is the seventh anniversary for the club; many more years of Hill Steppers are yet to come. -by *Lindsey LaChance*

# Outdoor Club in store for adventure

The Outdoor Club gives students here at Arthur Hill a chance to enjoy the "great outdoors". Activities include skiing, snowboarding, rock climbing, canoeing, backpacking, and hiking. Each year the club travels on many trips, including one big trip during the summer. Over the past six years the club has traveled to Colorado, Montana, Georgia, Arkansas, Canada, and this past summer

to Wyoming. In Wyoming they spent their time hiking, climbing Mout. Freemont, and white water rafting on the Snake River.

Climbing the mountain was a great experience. From the top you can see for miles and miles. It's rewarding to think that you got to be one of the few people to actually climb a mountain in your lifetime." said senior Erin McGrath. "The Outdoor Club gives students a

chance to see a world that's bigger than Sag has to offer." said Mr. Grandlund a technician at Arthur Hill. Grandlund has been in charge of the Outdoor Club for 6 years.

This club is a good opportunity for students to add the great outdoors to their memories '01.

# Team Da Vinci

## Back to back

## National

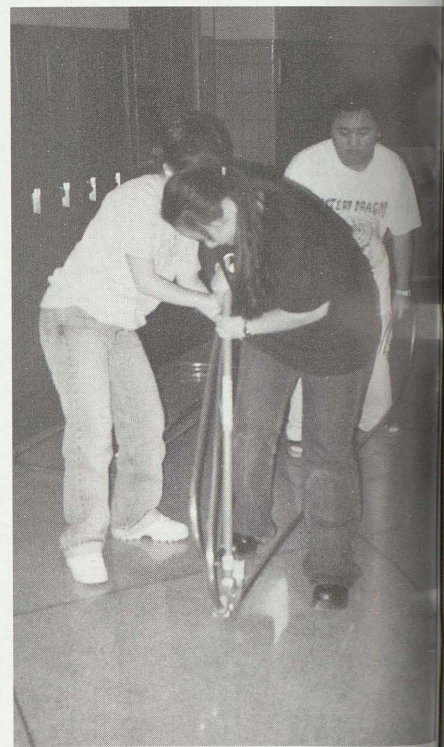

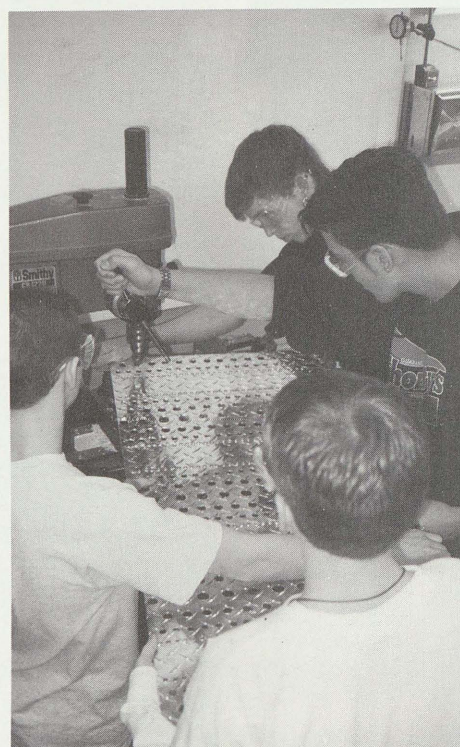

## Champions

Back to back National Solar Bike Race USA first place championships have been racked up by our technology club Team Da Vinci. With many long hours after school they make everything they need for their car.

As staff advisor of Team Da Vinci, Mr. Isotalo works with students in producing a solar electric hybrid vehicle for the 2001 National Solar Rayce USA. The race is 400 miles from Kansas to Missouri.

To get the vehicle to this race parents raised money. Along with parental support different corporate sponsors from Arthur Hill High School Alumni Association, Saginaw Valley Manufacturing, Scientific Brake & Equipment, Delphi, and Saginaw Valley State University.

Preparing for the 2001 race students in 4th hour tech vehicle class have built an oven to make a blow forming windshield themselves instead of having to purchase more materials. In making the vehicle they make all the parts needed from space grade materials and solar cells. The estimated cost of this year's car, whose name is yet to be announced, is \$ 8,000.

# Sports

# Spirits high despite falling short of goals

Despite the team's record of 2-7, the Lumberjacks worked hard all year. "I feel bad for the seniors" said Jones, "this season could have tuned out much different with a few early breaks." The squad lost many very close games. The team held a strong Heritage team to 13 points and Dow to 14. Had the offense scored the first 4 games like they did the next 4 games the season would have been more succesful. There were a few close games that could have gone our way, but the team wasn't so lucky. Arthur Hill and Saginaw High have a long standing football tradition, but this years game ended in disapointment for the Lumberjacks.

"We coaches try to instill this [tradition] in them and the importance of the game," said Coach Jim Jones. Coach Jones was assisted by coaches Brian Campbell, Bob Carrol, Dave Coffey, Doug Paccione, and Dave Ward.

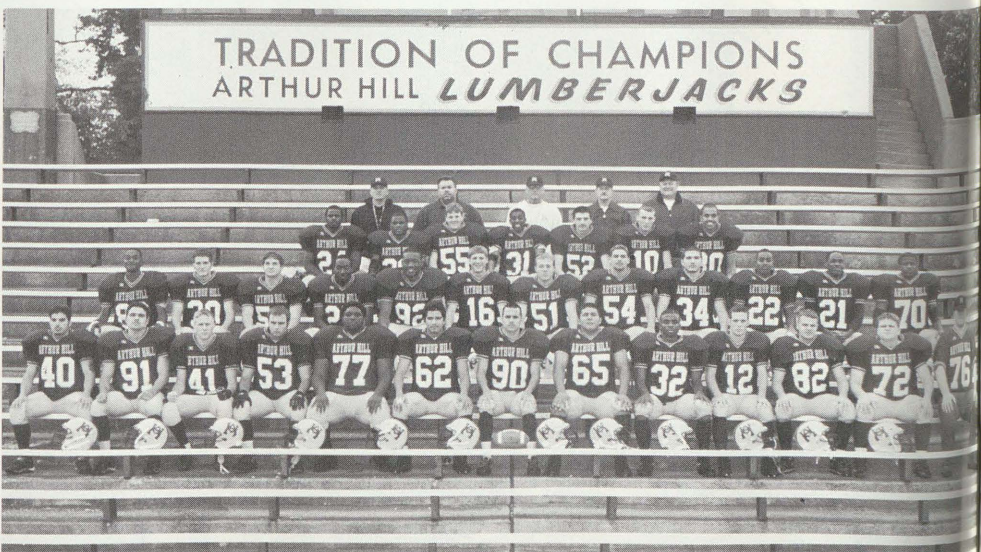

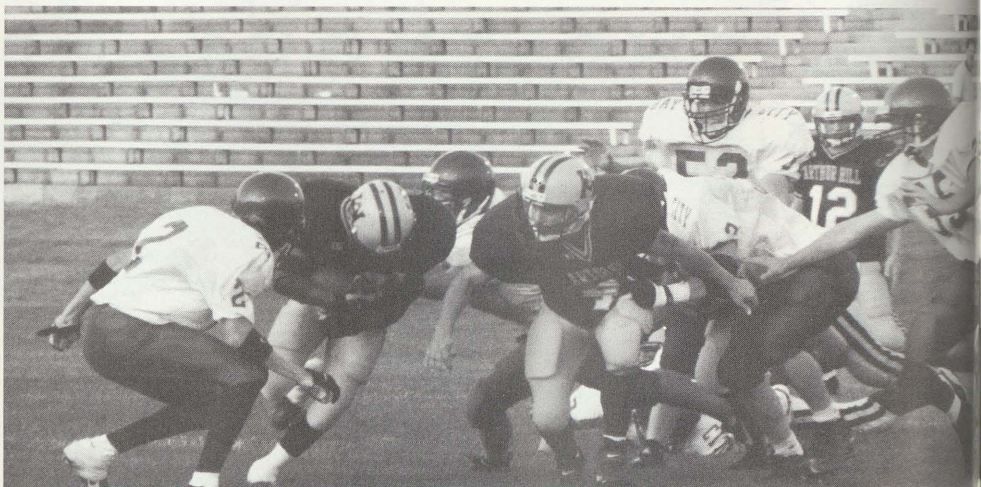

Clifton Ryan, Line Backer was named First Team All Valley. Second Team All Valley was named to Lionel Kilbourne, Offensive Line; Nick Coleman, Defensive Line; and Freddie Jackson, Running Back. Honorable mentions were Justin Matinkhah, Defensive Back; Anthony Gawthrop Defensive End; and Jason Rocha, Defensive End.

The Arthur Hill JV football team was coached by Jim Church, James Martin, Jake Emmendorfer, and Bill Becker. The team's record was 5-4. The team improved as the year went on. "I am very proud of this year's squad. They always came back strong after a loss, and they showed a lot of character throughout the year," said Coach Church. One of the highlights of the season was defeating an undefeated Bay City Western 39-0 in the sixth game of the season. The Arthur Hill Freshmen football team was coached by Wally Pelky, Dan Decuf, and Matt Young. They finished the season with a record of 2-6. Despite hard work and determination they had trouble scoring throughout the season, with a season average of fourteen points a game. The highlight of the season was beating cross town rival Saginaw High, with a score of 8-6.

"Although the scoreboard didn't show it, I feel we had a very successful season. I saw a lot of potential, and great attitudes from the players," said coach Young. Coach Decuf believes this team has definite potential. "The young team worked hard from beginning to end. Look for high achievements from this group in the future." ## Varsity Boys Soccer

# New Coach Causes Changes In 2000 Season

Bob Carpenter, the former coach who was with the soccer team for 12 years, retired leaving new coach Jeff Topham happily filling his shoes. The team had a difficult season with a record of 3-12-1. Captains Jeremy Bolt and Marc Stickel pulled through though and did their best. Despite the record, everyone played well and appreciated the dedicated fans coming out to their games.

Coach Topham's most memorable moment was their game against Bay City Central. The team won 4-0 and was the first win of the season and his first win as a varsity coach. He is proud to be the varsity boys soccer coach and is excited about upcoming seasons. He said "Coach Carpenter's career as a soccer coach started with a 3 win season, so hopefully I can live up to all he accomplished. We are expected to do better in the future". The season had its ups and downs. Players that will be key factors next year are Shawn Brown, Jack Schulz, Brandon Nemeth and Chris Steudel, among others. In the end, the boys worked hard this year and provided many images of '01. *by Teri Napieralski*

# New coach brings new style of winning

With new coach Aurel Lonian, the JV boys kick team had a lot of learning to do.

"Being from Romania I had the opportunity to introduce to the boys European style of soccer and new playing techniques," said Coach Al. Al not only brought new techniques but he also brought 7 years of professional experience.

The team spirit and bonding of the players was incredible, being that many of them hardly knew each other at the beginning of the season. They came together and played as a team especially during difficult situations.

"Seeing the look on Coach Al's face when we beat Heritage is something I will never forget," sophomore B.J. Daig said. The JV boys team rose up this year and took it to the field, with one of the best records in years.

## JV Golf Learning with every experience

"It was a rebuilding year," Coach Ken Quackenbush said, with the hope that the linksters will be improved for next year. They didn't have any wins this season against 14 losses, but they did learn with every match they had.

The JV team was a group dominated by Freshman; meaning a lot of new faces. The team consisted of Andrew Barnes, Chris Campbell, Aaron Chipp, William Collver, Stephan Jahn, Cody Jean, Wesley Jennings, Brent Keaner, Justin Kilgore, Alex Kohut, Jacob Kohut, Steve Muylle, Tyler Ruple, Jared Sanderson, Chris Seibel, Justin Taylor, and Travis Weber. The captains were Keaner and Sanderson.

## Varsity Boys Golf

# Golfers finish 7th in tough Saginaw Valley League

Arthur Hill's Varsity boys golf team finished another successful season with a seventh place finish in the tough Saginaw Valley League. Arthur Hill hosted the SVL tournament this year and co-captains Anthony Cozzolino and Matt Jarecki led the team, both scoring 74 on the par-72 Swan Valley Golf Course (individual bests for each).

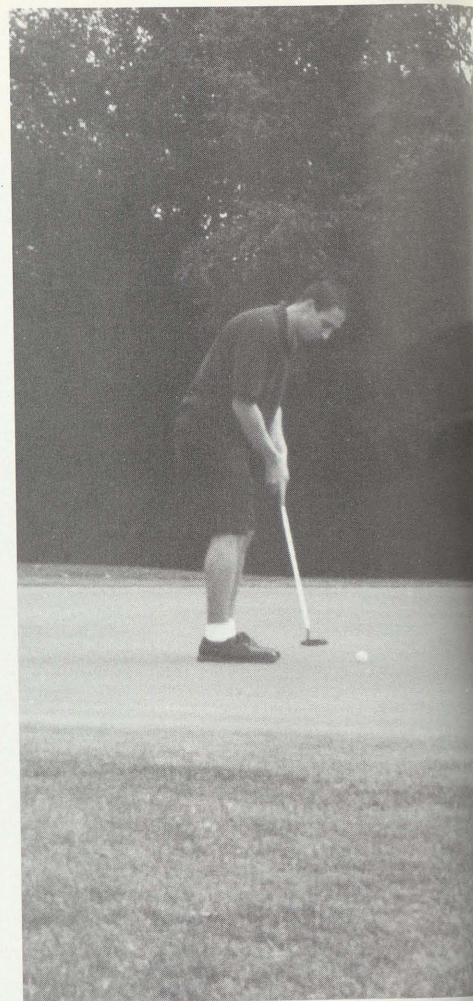

Golfers finished fifth in the Valley tournament behind Bay City Western, Bay City Central, Heritage, and Midland. They finished ahead

of Midland Dow, Flint Central, Flint Northern, and Flint Southwestern Academy. Arthur Hill also finished seventh overall in the Valley with a 3-7 dual meet record.

New head coach Mitch Tarras had to replace Coach Dennis Foster, who had to stop in the middle of the season for medical problems.

Co-captain Joseph Beane said, "Our season had its ups and downs but through the experiences we pulled together as a family."

The 2000 Varsity Girls Swimming and Diving team did great this year with coach Steve Skelcy and diving coach Dawn Hauffe. Captains Katie Quilico and Jessica Ontiveros led the lady tankers to many victories including Lapeer East and Flint Central. The record was 4-6 and the team placed 6th in the Saginaw Valley League, showing their dedication and need to succeed.

Sophomore Anna Baldwin made 25th in diving regionals. Katie Quilico made 6th in diving regionals and 29th in states. With new freshmen and sophomores being the key, the season should be even better in upcoming years. The season had its troubles and hard times, but the team pulled together and made it memorable.

## Second in the Valley ain't bad!

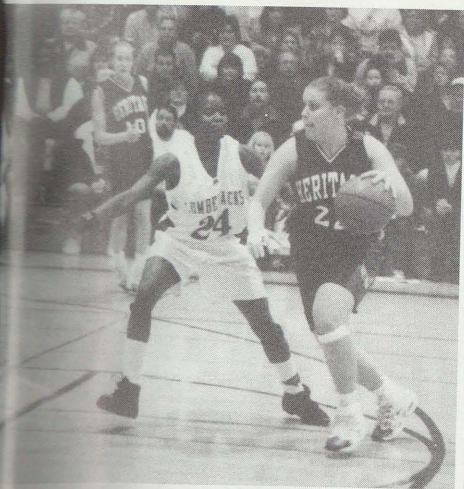

The Lady cagers, led by captain Joy Strong, posted a 15-6 record. Although the Lumberjacks were unfortunate to have met their arch rival, Heritage, in the district first round, to end with a loss.

"We came to play but their (Heritage) fundamentals overpowered our talent" said Strong.

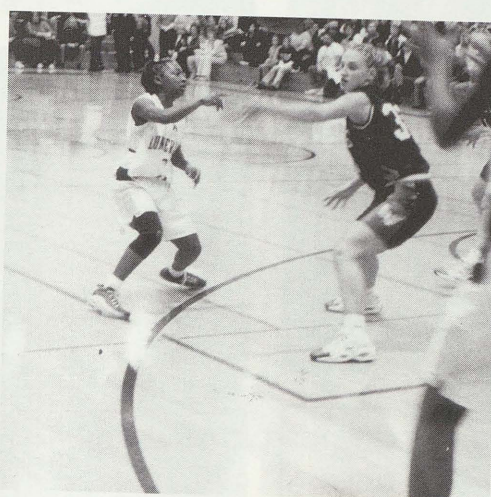

This season's starting line-up consisted of three freshmen, one sophomore, and one junior. "This was the youngest team I have ever coached," said coach Vonnie Killmer. "Our youth showed in a few of our losses but what we gained in experience will pay off in years to come"

The team finished their season 2nd in the Saginaw Valley League, and is looking forward to every starter returning next season.

It was a very successful season for the girls JV basketball team. With an outstanding record of 16-4, coach John Wilson said, "I believe this may have been the best JV team record in school history."

The girls all held their heads high, full of pride, after defeating the tougher area teams like Flint Northern, Frankenmuth, and Heritage.

Coach Wilson said of his team, "This was a great group of players who came together and took care of business. They set goals and achieved them by working hard and having fun." *by Jennnifer Cielma*

## Cross-Country

# Harriers complete promising season

The cross-country team this year had a very promising season. According to coach Ernesto Martinez the team trained hard to prepare themselves for 3.1 mile meets. The majority of the team consisted of sophomores, so the team is expected to improve within the next few years.

Coach Martinez said, "The season went very well. There were many new runners introduced to the sport this year that worked hard and improved throughout the season."

The No. 1 runner for the girl's team was sophomore Miranda Rodriguez. "We had fun working hard and seeing the results of our work," said Rodriguez.

Sophomores Ruben Olivarez and Antonio Cuellar improved throughout the year and competed against each other for the No. 1 spot on the boy's team. Both teams finished the season strong with the girls placing fifth in the Saginaw Valley League and the boys placing sixth. Coach Martinez is looking forward to an excellent season next year.

## Girls Tennis

# Another New Coach, Another Great Year

**O**ur Arthur Hill Varsity Tennis Team has had an overall great year and was blessed with a fantastic new coach just before this past season began. Our Lady Lumberjacks had a final record of 6-5-1 in the league. This year, at the Saginaw Valley tournament, the girls finished fourth out of sixteen teams.

As the new coach, Ms. Roberta Bunch has brought many new ideas of preparation to the team. In the past Bunch has coached four state title-winning teams. Junior Holly Trogan said, "Our team has improved a lot this year. We've been doing more physical activity this year, so we're in better shape than ever before, which has definitely improved our game."

# Hillites top Trojans in district finals

This year's boys basketball season began with disappointing losses to Saginaw High and Flint Central. But the Hillites regained their momentum in the district tournament winning three games including an exciting 68-66 overtime win over cross-town rival Saginaw High.

Coach Slaggert, in his fourth year as varsity boys basketball coach, managed to turn around a losing streak to win a heated game against Heritage. The team followed with losses during the holiday tournament in Travers City.

It was an up and down season for the team, having almost as many losses as wins.

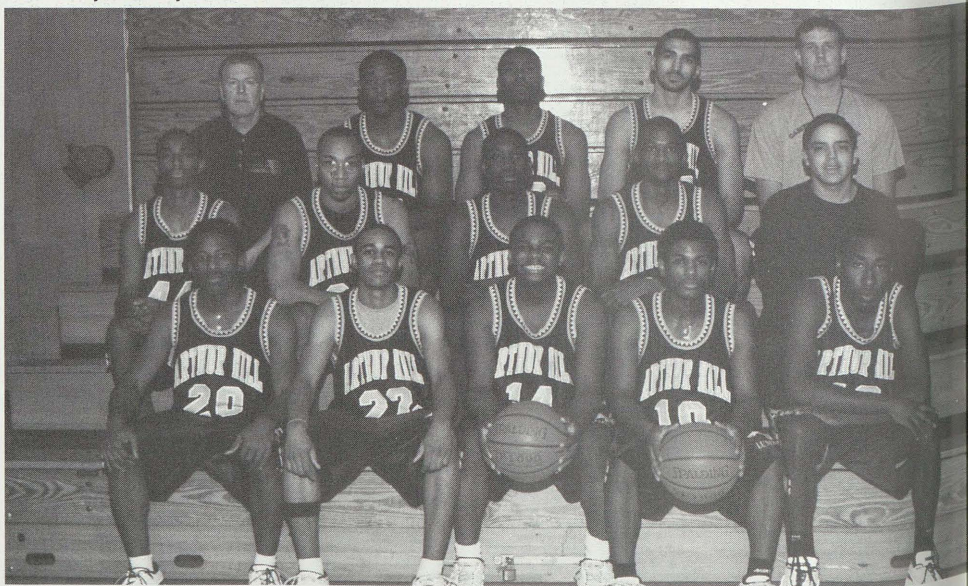

Fortunately, the Lumberjacks went on to win the post season district games vs. Heritage, Flushing, as well as Saginaw High.

# Boys Basketball

## keep the season rolling

The freshmen boys basketball team had an outstanding season this year. Their 15-3 record was the best record ever for a freshmen boys basketball team here at Arthur Hill.

The Hillites were coached by Dave Jacobs, who had this to say "This group of young individuals that I had the privilege of coaching and knowing made a great start to my coaching future."

Leading scorer Alan Crawford had an excellent season along with help from his teammates that led to such an extraordinary season. *by- Eric Tarras*

The JV team had an outstanding season as well. Captains Joe Piel, Brian Moten and Marcus Jackson led their team to a 14-6 winning season.

With a determined coach, the team had an exceptional year. "Never give up even if your losing," is one of the many positive pieces of advice Coach Greg McMath has given his team. To celebrate the season after the last game, the team had a locker room taco party. *by- Tracy Baase*

# Lumberjack Hockey makes the images of '01 memorable

Lumberjack hockey had an overall good season this past year with a final record of 9 wins-12 losses-2 ties. The captain of the Icers this year was Tommy Goodwin and assistant captains were Broc Beets and Jeff Thurman. At the Jenison Tournament in Traverse City, the Jacks came in as the runners up for the second year in a row.

Through the team's dedication to 5:30am practices, they were able to become strong willed and disciplined adversaries for their opponents. Highlights of this past season were definitely defeating the Heritage Hawks at both face offs with final scores of 8-6 and 4-2, with Lumberjack wins.

# Lady Spikers set Images of '01

The Varsity Volleyball team had quite a learning experience this season. Mistakes made early in the season, helped the team later to use better skills. The team was led by Coach Joe Polzin and captains Amanda DeCaire and Nikki Unger.

"It was a close knit team and the most enjoyable in my fifteen years of coaching," said Coach Polzin.

"Our team was really good, even though our scores don't represent how well our skills were," said senior Aida Cuadrado. The team record for the season was 12-23-7 and they are looking forward to do even better next season. *by Danielle Flores*

## JV Volleyball bumps up Images of '01

The Junior Varsity team had many changes this year. The team consisted of mostly underclassmen and old coach Tara Willoughby left allowing, Coach Blue Edlinger to take over.

They had 3 wins and 7 losses and placed 5th in the Valley. Captains Kate Puszykowski and Anna Baldwin lead the girls to many victories in games and tournaments. They took awhile to adjust with a majority of inexperienced freshmen but they played their best and stuck it out.

Coach Edlinger said "It took the end of the season to know that they know how to play volleyball, it was definately a season for learning". With players like Rulla Sika, Andrea Rivette, and Stacy Keene, the JV team should still be going strong next year. *by-Teri Napieralski*

# Freshmen start off shaky, but don't lose their balance

The Freshmen Volleyball team did well this year with help of new coach, graduate Melanie Rivette. She played volleyball at Arthur Hill and used her knowledge of the game to guide the young players to victory.

They lacked experience at first, but their record of 2-7 showed their great improvement. Captains Erin Glavens and Jessica Martin did their best to get the team to win with help of players like Kristen Schwanneke, Emily Richardson and Krista Labrash. ## Boys swimmers makes big splash despite 5-5 season

This season, the boys swimming team faced all kinds of obstacles but came out winners with a record of 5-5 and 6th place in the valley. Coach Chet Swanton had worries at first though, having lost 7 seniors last year. Captain Martin Pringle was the only returning senior. Chet said "This is a very young team and this year was a year for building...the future looks good."

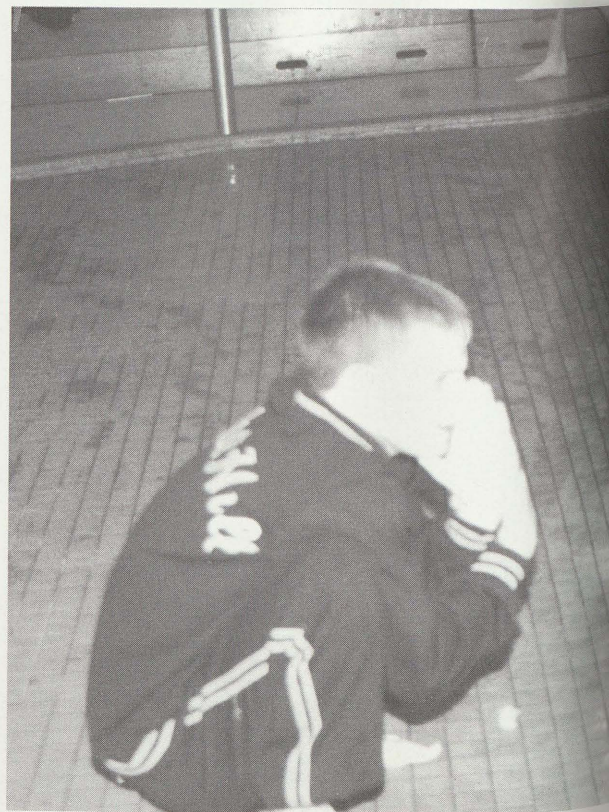

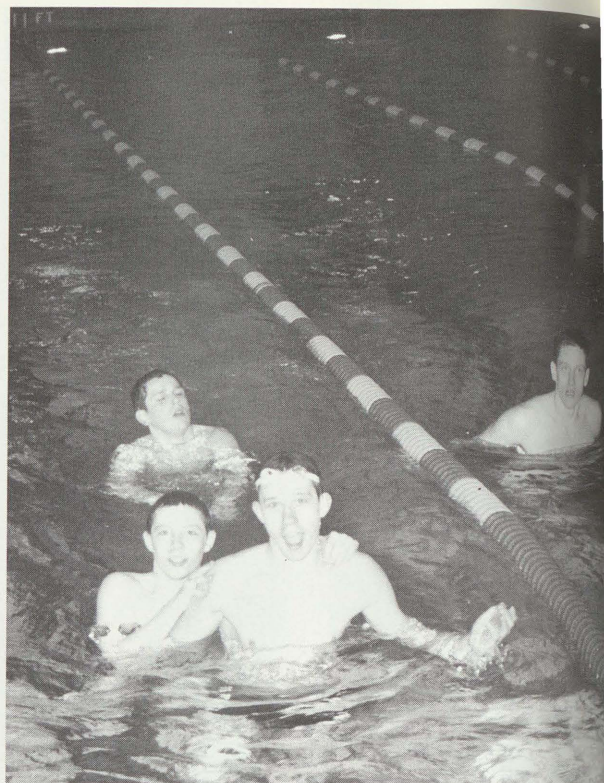

New freshmen and sophomores were essential this year and there are hopes that more boys will come out next season. They proved themselves to everyone that they could pull together and make a great year. All doubts aside, the boys did great and made many images of '01. *By Teri Napieralski*

# Wrestlers Earn Respect

This year's wrestling team earns respect with a winning record. The 35-year program has never had a winning season until this year. Coach Tony Escamilla came to Arthur Hill last year as an assistant coach. He helped carry the team through a long season his first year, but with his motivation and the team's hard work, determination and strong will, they earned every win.

The team finished fourth at the Saginaw County Invitational in January, a big difference from their 13<sup>th</sup> place finish a year ago. Five top wrestlers for the team this year include Sophomore Greg Kohnke who won the Saginaw County title at 103 pounds. Junior Kendrick Miree, who won the 171 pound Saginaw County title, and is also the only wrestler to go to states. Alex Hernandez who finished runner-up in the county at 189 pounds and Jamar Humphrey finished 6<sup>th</sup>.

Junior Adam Sutor who finished runner-up said "I guarantee we beat Heritage next year." The team has a promising season to look forward to next year with only one senior graduating. Out of all sports here at the Hill, the wrestlers set a record for the most games won this season. They finished with a final record of 28-10. "This year was a good start to success for later years," said sophomore Trent Friske. The season will definitely be an image of '01 always remembered not only by the team, but by all students. - by Maria Jaime

# Cheerleaders keep that funky spirit up

The Varsity Cheerleaders have been keeping busy this year. They went to camp at MSU during the summer to keep up their skills, and some of them from won awards. They also have been keeping up school spirit throughout the year.

They decorated the gym with posters, and marched in the Homecoming parade and in the Pride Parade. They cheered at football games, girls and boys basketball games, and at the Pep rallies. During Christmas, they had a Christmas party, and gave the football team presents before their game.

When Saginaw High student Erica Davis was killed, the cheerleaders wore black ribbons in her memory during the Arthur Hill vs. Saginaw High basketball game.

The Varsity Cheerleaders were coached by Jenny Hoerauf. This was her first year coaching varsity. The Varsity Cheerleading squad had their ups and downs this year, but their school spirit goes on. What's in store for next year? No one can be sure, but it will definitely have something to do with school spirit. *by Sarah Flora*

# JV Cheerleaders keep crowd fired up

The JV Cheerleaders have been hard at work this year. They went to a Universal Cheerleading Association camp at Michigan State University over the summer. There they worked with professionals from across the country. They won awards as well: two gold, two blue, and one red. For all of you who don't know, this means they ranked highest in four of five categories.

The cheerleaders held car washes and did scratch cards to raise money for new warm up uniforms and camp. They also collected pop cans to raise money and keep our school clean. In addition, they received new uniforms this year.

The squad started out the year with no coach. After a few adjustments, Jenny Hoerauf stepped in and took over for the third year. They practiced at least twice a week. They cheered at football and basketball games, collaborated with the Varsity Cheerleaders for the Homecoming pep rally and the King Arthur assembly, and wore black ribbons at the Arthur Hill - Saginaw High game to honor Erica Davis, a Saginaw High student who was killed.

# Hard work and determination pays off

The freshmen cheerleading squad worked very hard in '01. They cheered at freshmen football and basketball games. They were best remembered from basketball season for their cheer, "B-A-S-K-E-T-B-A-L-L! Show 'em how to get down ya'll! We're playing basketball!!"

The coach was Johnny Cage. He is also a cheerleader for Saginaw Valley State University and has been involved with cheerleading since high school.

When not cheering at their games, they could be found in the Saginaw Pride, Christmas, and Homecoming Parades. They were able to wear new warm-up suits to keep warm from the freezing temperatures.

Team Captain, Brittany Young said, "I felt that our coach was very inspiring and understanding with us." She also said he was very "courageous and strong willed."

The freshmen cheerleaders practiced every Tuesday and Thursday from 3:00-4:15 p.m. With only six girls on the team, they were forced to work extra hard to keep school spirit burning at their events.

Hard work and determination were the standards for these cheerleaders. "I'll never forget my coach and how hard he worked us and how it all paid off in the end," commented Nichol Evans on her 2000-2001 season. That is one image of '01 that will last forever.

The varsity pom-pom squad competed in the Spirit Shine Competition in Waterford, Michigan and placed ninth out of 19 teams, they also performed during half-time of many boys varsity basketball games.

Captain Kim Collier and Co-Captain Carita Wilson led the team and this year's coach was Tahisha Pritchett, a former Arthur Hill graduate. The Varsity pom-pom team kicked off one last amazing performance at this year's King Arthur assembly.

## Our goal is to help you with yours.

It's a great feeling to finally reach a goal that you've worked hard to achieve. That's why your success is our top priority. At SVSU, we can answer questions about how to apply for admission to college, how to receive financial aid, how to prepare for a career that fits your interests, and more. And you can choose from more than 70 areas of study. SVSU is large enough to offer many of the opportunities you find at big universities, but we deliver them in the same caring manner of a small college. So when you're ready to set your goals for college and beyond, give us a call. For more information, call (800) 968-9500.

## "Dreams"

Hold fast to dreams  
For if dreams die  
Life is a broken-winged bird  
That cannot fly

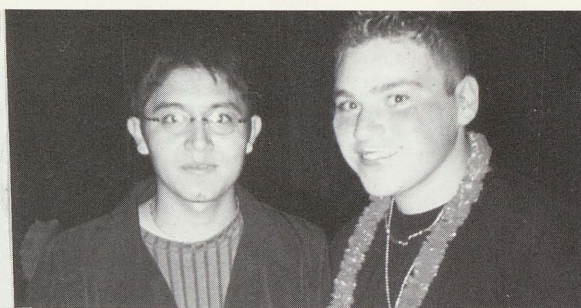

Hold fast to dreams  
For when dreams go  
Life is a barren field  
Frozen with snow

-Langston Hughes

## Colophon

This year, the 2000-2001 Legenda Staff has been working diligently to bring you the Images of '01.

The theme "Images of '01" was created as a way of remembering the many different images of this school year, and also shows the vast diversity of this school. From studying to celebrating, this book shows it all.

As with the previous Legenda, the staff used a "kill list" in order to get as many different people in the yearbook as possible. We tried to limit the candids to no more than five per person. We feel this book belongs to everyone at the Hill. So it's important to incorporate as many of you Lumberjacks as possible. From seniors to freshmen, from staff to administration, from those who are leaving to those that are staying, you'll find them all.

Now, if you are also interested in the mechanics of this yearbook, continue reading. The staff used 10 point Times to write the stories, captions in 8 point Helvetica, and headlines in 30 point Times. All the layouts were designed with Adobe PageMaker version 6.5. The yearbooks were printed by Jostens, Inc. using the Jostens Yeartech program. The cover was picked by the yearbook staff from a group of possibilities that Jostens provided. With colors accents and designs, we did just that. We wanted it to show who we were, and to be a reflection of the school. When processing over 1,800 names, over 100 stories, and over 1,000 captions mistakes are made. We apologize for any, they were inadvertent.

Maria Harvey, the editor of this year's yearbook, had this to say, "I really enjoyed working with my fellow staff members to get out a yearbook packed with memories that will last a lifetime. We all worked hard on this book and we hope you all enjoy the 'Images of '01'."
